

Alternative Physical Education Assignment

In the instance that a student has an excused injury or illness that requires them to miss five (5) or more consecutive days of class, they must then complete a PowerPoint Presentation on a sport listed below. If in school, the student will receive a pass to the media center during class time to complete the assignment. If the student is not in school, they must complete this work at home, if possible. The assignment will be due on the Monday following the five (5) consecutive days missed. This must be an original work created in place of a whole week of class participation and must reflect that. Copied and pasted material from any internet source WILL NOT be accepted and the student will be asked to redo the assignment using the students own words. The presentation must be at least six (6) pages and include the following.
