### eDay Plan – Day 2

#### American Memory

Learn more about the American Memory historical collections and other online resources from the Library of Congress. Start with a visit to the Library's World Wide Web sit (<http://www.loc.gov/>). As you explore this site, complete the activities below.

1. Describe what happened "Today in History."
2. Use THOMAS to find names of the members of the U.S. Senate and House of Representatives from your state.
3. Access Wise Guide to loc.gov and select one featured exhibition from the monthly guide. Follow links provided and create a summary of the exhibition to share in class.
