May 2023

Message from Mr. Desmond

Believe it or not, we are closing in on the end of the school year! This month will see lots of events and activities for our seniors, MCAS and Advanced Placement Exams, preparations for Graduation, and more. As has been stressed in the past, it is important for all students to be PRESENT IN SCHOOL every day to receive direct instruction.

Continue to help us ensure that students are on time and present in school every day.

Here's to a great May!

After School Tutoring and Extra Help

A reminder that we have After School Tutoring and Extra Help for students just about every day of the week.

Middle School:

Tuesdays & Thursdays in Room 135

High School:

Mondays & Wednesdays in the Library

In addition, teachers are available after school until 2:25pm and/or by appointment. Our school library is also open every day until 3:25pm and provides a quiet place for students to complete work and/or check out a book to read.

We want students to take advantage of these great opportunities to ensure they are finding academic success in all of their classes.

Project 351

During Earth Day Weekend, current Project 351 Ambassador Kate Austrino and former Project 351 Ambassador Maeve Hagberg had the privilege of serving with the Project 351 region at Borderland State Park in honor of Earth Day. As a large group, the region was able to remove netting from a bed of shrubs, weed it, and re-mulch it. The park ranger said they managed to do a weeks worth of work in 2 hours! They had so much fun and are looking forward to the next community project.

Senior Sports Signing!

On Friday, April 28, 2023, Senior Emma MacDonald signed her letter of intent to play for The University of Massachusetts Dartmouth Women's Soccer Team.

Congratulations Emma! We wish you the best of luck next year!
Go Panthers!

Travel

26 students and 3 teachers traveled to the Washington DC/PA area for four days over April vacation. They visited various sites such as the Smithsonian Museums, Gettysburg Battlefield, Bull Run/Manassas Battlefield, Harper's Ferry in WV, Antietam Battlefield, and many more historical sites in that area. These students and teachers were excited to be traveling again and can't wait for the next trip!
