

AMI Virtual Learning Schedule 2022-2023

In the event of a snow day where we implement the AMI Virtual Learning Schedule, this is the schedule that students will follow for the day. This schedule limits the amount of time that our students will have to be online for the day. Our goal is to give the most information in a limited time. Time marked as office hours will be time that teachers are available for one-on-one instruction, please contact teachers individually to schedule this time via email.
