

K-W-L

What do I Know? – What do I Want to know? – What I have Learned?

Student Name: _____ Date: _____

Procedure: Students make individual entries under the “What do I know” column. Working with a partner, students compare and combine lists. They next collaboratively list what they “want to know”. After completion of the project and lesson, students will come as a class to complete the “What I have learned?” column.

Assembly Line Brainstorm

KNOW	WANT TO KNOW	WHAT I HAVE LEARNED
