Fabric – Use something from home like an old dress shirt or linens. Choose fabric without much stretch because sewing on stretchy fabric can be challenging. If purchasing fabric, choose something cotton, as cotton is easily drawn and painted on.

- Polyester fiber fill – Alternatives include cotton batting, stuffing from an old pillow, rice.
- Needle & thread
- Straight pins
- Scissors
- Skewer or chopstick for filling

- Strong glue – Elmer’s Glue-All, Alene’s Tacky Glue, or fabric glue
