*Number One*

All people are equal.

## *Number Two*

Usually, the best and brightest people become leaders.

### *Number Three*

People who are smarter  
should rule over those who  
are less smart.

## *Number Four*

People who are uneducated  
are easier to control than  
those who are.

## *Number Five*

People are always free to  
make their own choices.

*Number Six*

The government does what is  
best for the people.

## *Number Seven*

The media can always be  
believed.

## *Number Eight*

Power corrupts those in  
power.

## *Number Nine*

You should follow the  
instructions of those in  
power without question.

*Number Ten*

Is freedom necessary to be  
happy?
