Yellow By Aniyah Bilgrami

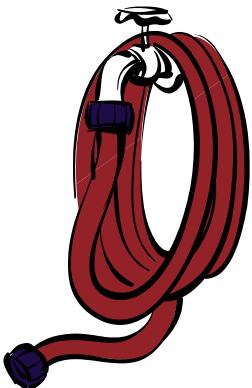

Yellow is bright.
yellow is fabulous.
yellow is joyful.
yellow tastes like a refreshing glass
of lemonade.
yellow smells like a happy day.
yellow sounds like a sunflower
blowing in the wind.
yellow feels like the bright sun
on a warm day.
Yellow looks like a wonderful color.
Yellow makes me feel happy
Yellow is wonderful.
Yellow is bright.

The Hose

I sprayed a hose on my toes,
They were wet
because I lost a bet.
I saw a hose that tried to pose,
It was weird
because it had a beard
