

2009-2010 ANNUAL EDUCATION REPORT LAKEVIEW ELEMENTARY SCHOOL

**200 Croix Street
Negaunee, MI 49866**

The purpose of this annual education report is to meet the requirements of Michigan Public Acts 25, 335, and 336. This report is intended to provide parents and the community with information about the 2009-10 school year. As required by law, this Annual Education Report will be filed with the Marquette-Alger Intermediate School District by September 1st and will be presented to the public on Wednesday, September 16, 2009 at our Parent Night in the Lakeview Gymnasium.

The building principal and building school improvement team has prepared this report along with input from other staff members and parents.

***DISTRICT MISSION STATEMENT**

The primary purpose of our school is teaching and learning. It is our responsibility to develop the intellectual, vocational, physical, creative, cultural and social capabilities of all our students to their maximum potential. Our schools belong to the people of the community and we further realize that productive schools are built on partnerships of citizens, parents and staff.

***BUILDING MISSION STATEMENT**

The primary purpose of our school is teaching and learning. Our school is built on a cooperative partnership of citizens, parents and staff working in a safe and orderly environment.

LAKEVIEW SCHOOL GOALS

1. **English Language Arts**
All students will increase reading comprehension by 3% annually.
2. **Mathematics**
All students will increase proficiency in the area of numbers and operations by 2% annually as measured by MEAP.
3. **Science**
All students will increase student proficiency by 5% over the next three to five years on the science MEAP.
4. **Social Studies**
All students will increase proficiency by 5% over the next three to five years on the social studies MEAP.
5. **Positive Behavior Support**
Students will achieve social and learning outcomes while preventing problem behavior.

I. ACCREDITATION STATUS

Lakeview School has achieved an A grade on the Report Card issued by the Michigan Department of Education for the 2009-2010 school year. Last year, Lakeview achieved

an A grade on the Report Card. Lakeview has not been identified for School Improvement, corrective action or restructuring.

II. PUPIL ASSIGNMENT

The Negaunee Public School District has one high school, middle school and elementary school. Negaunee Public Schools has a policy and process to address parents' schools of choice requests. Copies of this policy and procedures are available at each building principal's office as well as the central administration office. Parents have been notified of the policy and process for schools of choice requests. All Negaunee students attend their age-appropriate school unless indicated otherwise through an IEP.

III. SPECIALIZED SCHOOLS

The Negaunee Public School district does not have specialized schools at Lakeview. Lakeview does house the district ECDD Program and a consortium Early On and SLI Program.

IV. STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

A. The School Improvement Plan:

The 3-5 year plan for continuing school improvement efforts has been in effect since 1993. Implementation and evaluation are ongoing. The school improvement plan is updated annually to reflect progress on identified goals and to address changing needs. Goals were identified based on student achievement data and NCLB requirements.

SCHOOL IMPROVEMENT TEAM PARTICIPANTS

	Name	Position/Stakeholder
1.	Julie Peterson	Principal
2.	Kellie Boase	Assistant Principal
3.	Michael O'Donnell	First Grade Teacher
4.	Keri Bath	Second Grade Teacher
5.	Sabina Carlson	Third Grade Teacher
6.	Molly Kus	Fifth Grade Teacher
7.	Gina Sorensen	Media Specialist
8.	Jessie Peterson	Parent

- The School Improvement Plan helped the staff focus on reaching our goals. Specific activities were created by teachers at each grade level to target low performing areas.
- Lakeview's MEAP scores were analyzed. Low performing areas were identified by the School Improvement Team, which led this team when updating our school's improvement plan.
- A copy of the updated school improvement plan is on file at each building's principal's office, at the central administration office and at Marquette-Alger Regional Educational Services Agency.

B. National Educational Goals

The National Educational Goals, as identified through No Child Left Behind are incorporated into the building and district, 3-5 year school improvement plans which are monitored regularly and updated annually. At Lakeview School we value, encourage and reward student achievement and citizenship; promote parent participation; provide opportunities to improve professional skills of all staff through conferences and professional development; offer a disciplined environment to learn; and provide all students the tools to make informed decisions concerning alcohol and drugs. High standards are set for students to excel and reach their potential.

V. CORE CURRICULUM

- The core curriculum is the basic learning program in curricular areas for all students. The core curriculum for each content area defines expected student outcomes based on the Michigan Grade Level Content Expectations. Lakeview has adopted the Grade Level Content Expectations as its curriculum.
- Curriculum goal committees monitor the goals based on the Michigan Grade Level Content Expectations.
- Staff development activities regarding the implementation and improvements in core curriculum areas are conducted through workshops, in service trainings and during staff meetings. Student progress toward goal attainment is monitored through various testing (MEAP, etc.) and alternative assessment.

STAFF DEVELOPMENT

Staff attended whole day in services on the following dates. A variety of topics were covered, such as, analyzing MEAP data and unit development in science and social studies.

- **September 1-3, 2009**
- **October 9, 2009**
- **February 12, 2010**

VI. STUDENT ACHIEVEMENT

See Insert A

Other Achievement Data:

Alternative Assessment: Writing Portfolios are kept for all students. A variety of other assessments are also used including performances; DiBELS; SRI; projects; group presentations; Quarterly Assessments; computer generated achievement analysis and informal testing. No other nationally normed achievement test is administered.

Disaggregated Student Achievement Data:

- **Gender:** A slight discrepancy between males and females in the areas of science and reading in grades 3,4,5. In science males scored 4% more proficient. However, in reading females scored 5% more proficient. Staff will be made aware of this discrepancy and address this gap.
- **Economics:** There is a 7.9% discrepancy in science, indicating the economically disadvantaged students were less proficient than those that are not economically disadvantaged.
- **Disability Status/Ethnicity/Migrant Status/English Proficiency:** *Due to small numbers, this data is not statistically significant and would be in violation of students' right to privacy.

Identified Discrepancies in Student Achievement Data:

Discrepancies were noted as stated above and plans will be implemented to address the needs.

Adequate Yearly Progress Lakeview Elementary School made adequate yearly progress.

Pupil Retention Lakeview had a retention rate of 93.6%.

Attendance Rate Lakeview had an attendance rate of 89%. Economically Disadvantaged students had an attendance rate of 94%.

VII. PARENT CONFERENCE PARTICIPATION

Parent participation is an integral component of our school community. Parents are represented on our Title 1 and School Improvement Committees.

Other Parent Participation

Lakeview Parent/Teacher Partnership meets on a monthly basis. They are an active group responsible for the development and coordination of a number of fund raising events and social activities for staff, students and other members of our school

community. Fund raising activities were the Book Fair, Clothing Resale, Friendship Festival, Ice Cream Social/Open House/Talent Showcase, Frankenmuth Fundraiser...etc. Through their efforts they were able to provide books for our library, School Assemblies, and a monetary gift for each classroom teacher to use for various classroom materials. Our school volunteer program (S.H.I.N.E - School Helpers Investing in Negaunee Education) accumulated 8998.5 hours of service at Lakeview Elementary School (see SHINE report). Parent and community participation is documented in activities such as: tutoring, field trips, classroom help, copying, presentations to classes, editing and publishing books for students, reading in the library, assisting the librarian, recording textbooks on cassettes.

An Open House(meet the teacher) informational activity, was held on Wednesday, September 2, 2009 with excellent parent attendance.

Parent Power Hours were held during the first marking period for each grade level. This provided training for parents regarding curriculum and how to best assist their children at home. GLCE were reviewed and parents were provided handouts.
