February 20, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for C.J. Sullivan Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact John Nawrot, principal, for assistance.

The AER is available for you to review electronically by visiting the following web site http://www.lanseschools.org/docs/Annual_Education_Report_Elementary.pdf, or you may review a copy in the main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school has not been given one of these labels.

The most recent results of the M-STEP (Michigan Student Test of Educational Progress) indicate that English Language Arts continues to be an area of concern. Proficiency levels in both 3rd and 5th grade decreased from the previous administration of the assessment. C.J. Sullivan has taken the following steps to address these concerns: the recent implementation of a K-5 reading curriculum aligned to the Common Core State Standards, timely interventions for "at-risk" students including Reading Recovery, Six Minute Solution, and Phonics for Reading, and data review meetings to adjust instruction for students not on track to be reading by the end of third grade.

M-STEP results also indicate that mathematics is an area of concern as well. 3rd and 4th grade experienced an increase in proficiency from the previous year. However,

proficiency levels at 3rd-5th grade remain below the state averages. C.J. Sullivan Elementary is taking steps to unify the K-5 math curriculum and is in the process of evaluating for purchase a curriculum that would provide vertical alignment across grade levels as well as alignment to the Common Core State Standards.

Process for Assigning Pupils to the School

All district pupils in grades Kindergarten through 5th grade are assigned to C.J. Sullivan Elementary School as this is the only school within the district that serves this grade span of students.

School Improvement Plan

At C.J. Sullivan Elementary School, school improvement is an ongoing process that aims to support our belief that all students are capable of learning and should be afforded a safe, caring, and stimulating environment to do so. The school improvement team, comprised of teachers and administrators from the school, meets several times each year for the purpose of developing, reviewing, and evaluating goals, objectives, and strategies for the School Improvement Plan. This team also collects and analyses academic assessment data to guide instruction and evaluate progress toward student achievement goals.

The strategies and goal selected by the School Improvement Team are in varying stages of implementation. These strategies and goals were selected by the school improvement team because they represent research-based best practices and highly-effective strategies that will have a positive impact on student success.

75% of 3 rd , 4 th , and 5 th grade students will demonstrate proficiency in Reading by 6/9/17 as demonstrated on state assessments of reading.	In Progress
70% of 3 rd , 4 th , and 5 th grade students will demonstrate proficiency in Writing by 6/9/17 as demonstrated on state assessments of writing.	In Progress
70% of 3 rd , 4 th , and 5 th grade students will demonstrate proficiency in Mathematics by 6/9/17 as demonstrated on state assessments of mathematics.	In Progress
70% of 5 th grade students will demonstrate proficiency in Social Studies by 6/9/17 as demonstrated on state assessments of social studies.	In Progress
70% of 4 th grade students will demonstrate proficiency in Science by 6/9/17 as demonstrated on state assessments of science.	In Progress

All teachers at C.J. Sullivan Elementary will incorporate technology into their curriculum.	In Progress
All students and staff will participate in the PBIS/MTSS programs. The programs will be introduced in the fall of 2016 and continue through June 2019. Staff will implement the SWIS program to collect behavior data and administer DIBELS assessments three times a year for academic data.	In Progress

A copy of the full C.J. Sullivan Elementary School Improvement plan, including the strategies and activities to support achievement of the goals can be viewed at the following website:

Brief Description of the School

C.J. Sullivan Elementary School is a kindergarten through 5th grade school located in L'Anse, Michigan in the northwestern portion of Michigan's Upper Peninsula. The school serves approximately 250 students. The school features a 1:1 technology program for grades 1 to 5. Kindergarten students have 1:2 access to a Google Chromebook used to enhance the educational experience of students. C.J. Sullivan also implements a Reading Recovery program in the 1st grade that has demonstrated positive results with students.

Accessing a Copy of the Core Curriculum

At C.J. Sullivan Elementary School, students are taught the curriculum adopted by the State of Michigan. This includes English Language Arts and Mathematics curriculum aligned to the Common Core State Standards (CCSS). Science and Social Studies curriculum is based on the Michigan Department of Education (MDE) adopted standards, Michigan Science Standards (MSS) and Grade Level Content Expectations (GLCEs).

During the 2015-16 school year, teachers have worked to update curriculum maps and pacing guides aligned to the CCSS in the areas of Mathematics and English Language Arts. These documents can be viewed by contacting the C.J. Sullivan Elementary School office. Science and Social studies standards may also be viewed in the school office.

Parent Teacher Conference Participation

Conference	Students	Percentage	Conference	Students	Percentage
Fall 2014	233	86%	Spring 2015	72	27%

Fall 2015	240	89%	Spring 2016	60	22%
Fall 2016	217	88%	Spring 2017	*	*

Closing Remarks

I would like to extend my appreciation to the students, parents, and staff of C.J. Sullivan Elementary School for the support shown and work put forth on numerous objectives. The work that has been accomplished with regard to the Hornet Hero PBIS program and other MiBLSI work has laid the foundation for continued success. It is my sincere belief that the structures that have been implemented during the past school year, and are continuing to be forged, will provide the foundation for each student to experience success at C.J. Sullivan Elementary School.

The teachers and administration remain committed to exposing students to a challenging and rigorous curriculum that will allow them to meet the needs of the future.

Sincerely,

John Nawrot, Principal
C.J. Sullivan Elementary School
