 - b. has a substantially detrimental effect on the targeted student's physical or mental health;
 - c. has the effect of substantially interfering with the targeted student's academic performance; or

3. Bullying may not be interpreted to impose any burden or sanction on, or include in the definition of the term, the following:
 - a. participating in a religious event;
 - b. acting in an emergency involving the protection of a person or property from an imminent threat of serious bodily injury or substantial danger;

4. The school corporation shall adopt discipline rules in compliance with IC 20-33-8-13.5 that prohibit bullying and include provisions concerning education, parental involvement and intervention. These rules may be applied regardless of the physical location of the bullying behavior when a student committing the bullying behavior and the targeted student attend a

school within the school corporation and disciplinary action is reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of other students to a safe and peaceful learning environment.

5. Any student or parent who has knowledge of conduct in violation of this rule or any student who feels he/she has been bullied in violation of this rule should immediately report the conduct to the principal who has the responsibility for all investigations of student misconduct including bullying. A student may also report the conduct to a teacher or counselor who will be responsible for notifying the principal. This report may be made anonymously via the school website.
6. The principal shall investigate immediately all reports of bullying made pursuant to the provisions of this policy. Such investigation will be expedited and must include any action or appropriate responses that may be taken immediately to address the bullying conduct wherever it takes place. Information relating to the investigation will be gathered using means including, but not limited to the following: witness interviews, request for written witness statements, record identification and review, and an assessment of whether bullying occurred. Investigations will be initiated immediately and will ordinarily be completed within thirty (30) calendar days. The parents of the bully and the targeted student(s) shall be notified initially of the reported behaviors and subsequently notified on a regular, periodic basis of the progress and the findings of the investigation and of any remedial action that has been taken.
7. The principal will be responsible for working with the school counselor and other community resources that may be available to provide information and/or follow-up services to support the targeted student and to educate the student engaging in bullying behavior on the effects of bullying and the prevention of bullying. In addition, the principal and school counselor will be responsible for determining if the bullying behavior is a violation of law required to be reported to law enforcement under Indiana law based upon their reasonable belief. Such determination should be made as soon as possible and once this determination is made, the report should be made immediately to law enforcement. The school principal is also responsible for reporting any incidents of bullying to Child Protective Services that constitute abuse as dictated by current law.
8. False reporting of bullying conduct as defined in this rule by a student shall be considered a violation of this rule and will result in any appropriate disciplinary action or sanctions (including suspension and/or expulsion) if the investigation of the report finds it to be false.
9. A violation of this rule prohibiting bullying may result in any appropriate disciplinary action or sanction, including suspension and/or expulsion.
10. Failure by a school employee who has a responsibility to immediately report bullying to the principal or any other appropriate administrator or to investigate bullying or any other duty under this rule to carry out such responsibility or duty will be subject to

appropriate disciplinary action, up to and including dismissal from employment with the school corporation.
