

## **Welcome to AP Biology!**

### **Summer Assignment Cover Page**

We are very happy to have you in the Freedom or Liberty AP Biology class. This course will be both challenging and demanding, so we're getting a running start by covering some review material during the summer. You will need to print out the chapter reading guides and the Biochemistry POGIL, but should not need to print out the textbook pages (save a tree!). PLEASE READ AND FOLLOW ALL OF THE INFORMATION! All assignments are **due on the FIRST DAY OF SCHOOL. No exceptions.**

### **CONTACT INFORMATION**

**Freedom HS Teacher: Amber Chiafulio**
