

## AP Biology Summer Assignment

Get started on the assignments as soon as possible. The post on the calendar **IS THE DUE DATE**. Late assignments will be accepted **UP TO 3 DAYS LATE WITH PENALTY**. After 3 days, the assignment will be scored a zero. Assignments are meant to be completed **AFTER** reading the chapter once, and while reading it a second time. **If you score less than 90% B on any assignment you will have an automatic "Adaptive Assignment" as an intervention.** This assignment also counts as a grade.

If you are receiving this information while on vacation and missed a due date for the first or second assignment, pick up with the next assignment. Email me immediately and let me know the circumstances. Communication between us is essential to working out a solution to any problems.
