-Bienvenue à **AP FRENCH**. Your summer assignment will help you to continue using your French so that you are ready to go when the school year begins. The more you practice, the easier the transition will be back into class. It is encouraged to speak in French over the summer, even if it is just to yourself. Sing along with music. Watch movies in French and try to avoid the subtitles! The activities below are your assignments for the summer.

**A. Listening Exercises: due the second day of the FALL semester**  
**(see information at the bottom of the document)**

**B. Vocabulary: due the second day of the FALL semester**  
**- QUIZLET:**

You will need to access an existing or create a new quizlet.com account. Please use your school login information as your username and password. I MUST be able to identify you, so please make sure your real name appears on the account. In addition, I would like everyone to join my summer Remind.com class so that I may communicate easily with you, if necessary.

- Go to [quizlet.com](https://quizlet.com) and join the class **2017-LHS-FRENCH AP** using link below:  
<https://quizlet.com/join/cHh5VadPG> (If for some reason, the link does not work, simply search for the specific name of my class.)

Quizlet.com Assignments

Please log into your quizlet.com account and review the following sets of flashcards which can be found in the class **2017-LHS- FRENCH AP**. You can practice as many times as is necessary. Ultimately, your goal is to complete the “Learn” mode for each set. You will have completed the process after **you correctly enter all** of the words from that set. Please do NOT stop after having done the process only once. In order to get credit and have the results show up in your profile for me to see, **you must continue until you get them all right and you get the message on the screen that says that you have completed learn.** Quizlet will save your results, so this does not have to occur in one sitting. Each set must be completed by **Tuesday, August 29, 2017. (10 points each)**

- D'accord 2 Unité 2 la santé - 2017
- subjonctif conjugaisons (Je/Nous) and If clauses - 2017
- Le Subjonctif- 2017 Expressions
- French Review Verb Tenses - 2017
- Passé composé régulier et irrégulier- conjugate the verbs
- Donner son opinion

It is encouraged to use Word Reference as an online dictionary and the book *501 French verbs* can be useful.

You can always reuse our class sets from French class! :)

### **A.Listening/Viewing Practice**

Listening to and understanding native French speakers from all over the world is a difficult skill and one that needs to be practiced a lot! You will be responsible for 5 listening assignments over the summer. You will be **assigned 5** audio/video activities during the summer. You should choose topics that interest you.

A summary in **FRENCH** and a list of 5 new vocabulary words will be handed in for each listening activity. The goal is to continue to listen throughout the summer.

**These sites may be useful when you choose your own link and for additional practice.**
