

AP Psychology: Summer Assignment, 2019

Welcome to AP Psychology! I am glad that you have decided to join this class and chose to challenge yourself with the fascinating world of psychology. I am certain that you will find this course worthwhile and personally relevant. Keep in mind that psychology is everywhere. Everything we do, think, and feel can be related back to psychology.

With that said, it is imperative that we get a jump start on the AP Psychology curriculum. It is mandatory, and in your best interest, to complete the summer assignment. Your summer assignment is comprised of FOUR separate mini-assignments. Several of these assignments will assist you throughout the school year and aid in your preparation for the AP Exam in May.

If you have any questions and/or concerns over the summer please feel free to contact one of us: [hill kevin@mybps.us](mailto:hill_kevin@mybps.us), [berical brielle@mybps.us](mailto:berical_brielle@mybps.us), [mcisaac amy@mybps.us](mailto:mcisaac_amy@mybps.us)

We look forward to working with all of you in the upcoming school year!
