

AP Statistics – Chapter 7 Review	Name:
Goal: Prepare for Chapter 7 Quiz	Date:

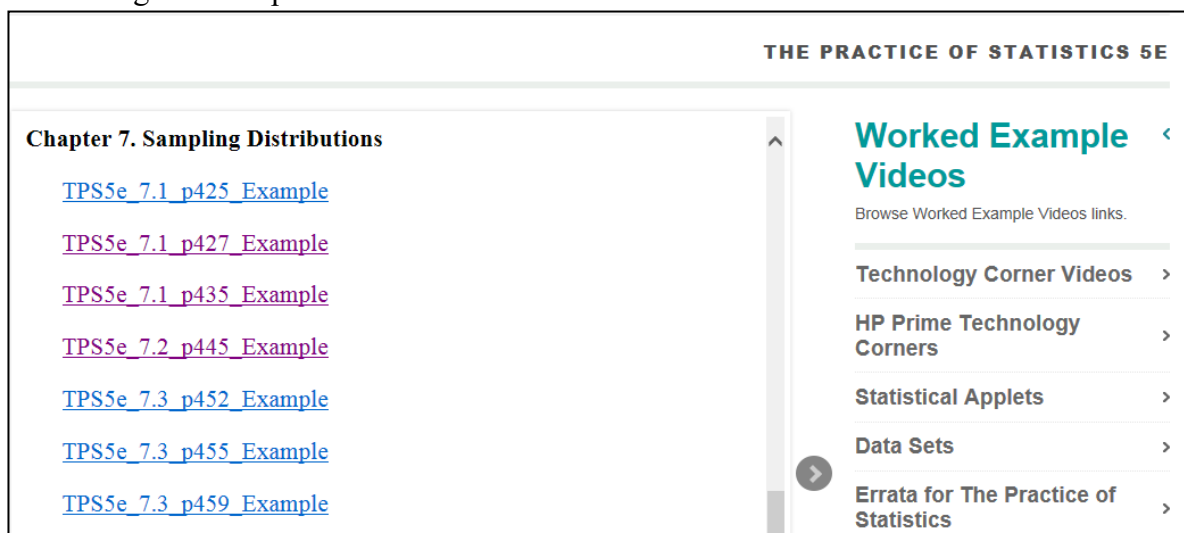

Today is a review day for the Chapter 7 Quiz next class. The Quiz will take half the period and will have 10 multiple choices (6 points each with 1 freebie) and 2 free response (20 points each).

Today's class will be broken into 3 parts. I have given recommended amounts of time to spend on each part. But the schedule is flexible and spend time on what you feel will help prepare you for the quiz.

- I. (About 25-30 minutes) Go to the library to use their computers and head phones. The librarian (Mrs. Jerome) will help you if needed. The updated version of our book has worked out example videos. Here is the website:

<http://www.macmillanlearning.com/Catalog/studentresources/tps5e#>

- Go through these 7 problems:

- II. (About 20-25 minutes) Return to the classroom around 8:20 and work independently on handout “**Chapter 7 AP Practice Test.**” Substitute Teacher will give you the handout when you return.
- III. (About 20-30 minutes) Work in groups to complete “**Chapter 7 AP Practice Test.**”
 - I have left the answers on a clip board that the Sub has and I have also posted them on my website.
- IV. **Homework:**
 - Complete “**Chapter 7 AP Practice Test**” for HW.
 - **Chapter 7 Review Exercises** (page 458) – answers posted on my website.
