Students may not be dismissed until an exam has officially ended. Do not ask to leave early if you finish before the end of the exam. If you play a sport or have a job, it is your responsibility to inform your coach or employer of your AP Exam obligation and make arrangements should be made accordingly.

Sending your scores to your chosen college:

Log into AP Classroom. When it prompts you to select where to send your scores, bypass this by clicking "I don't want to send my scores" UNLESS YOU ARE A SENIOR. Seniors, in My AP, click on My AP Profile in the blue section toward the right. Click on the Score Send. Indicate the college where you would like your scores to be sent. Click Save.

You are required to abide by the policies of both the College Board and Rochester Community Schools during the exam period. Any misconduct will be reported and could jeopardize your AP Exam score. Please note that you are not required to attend school on the day of your exam(s). An attendance roster will be published for the school letting them know who was there. Get a good night's rest before your exam, and eat a nutritious breakfast. You are allowed to bring a snack and beverage to the testing site for your 10-minute break. However, food and drink are prohibited in the exam room. It is advisable to bring a sweater in case the room temperature is below your comfort level.

Be sure to review the 2021-22 *Bulletin for AP Students and Parents* that you received in your AP class. If you have any additional concerns, please feel free to contact us. Good luck!

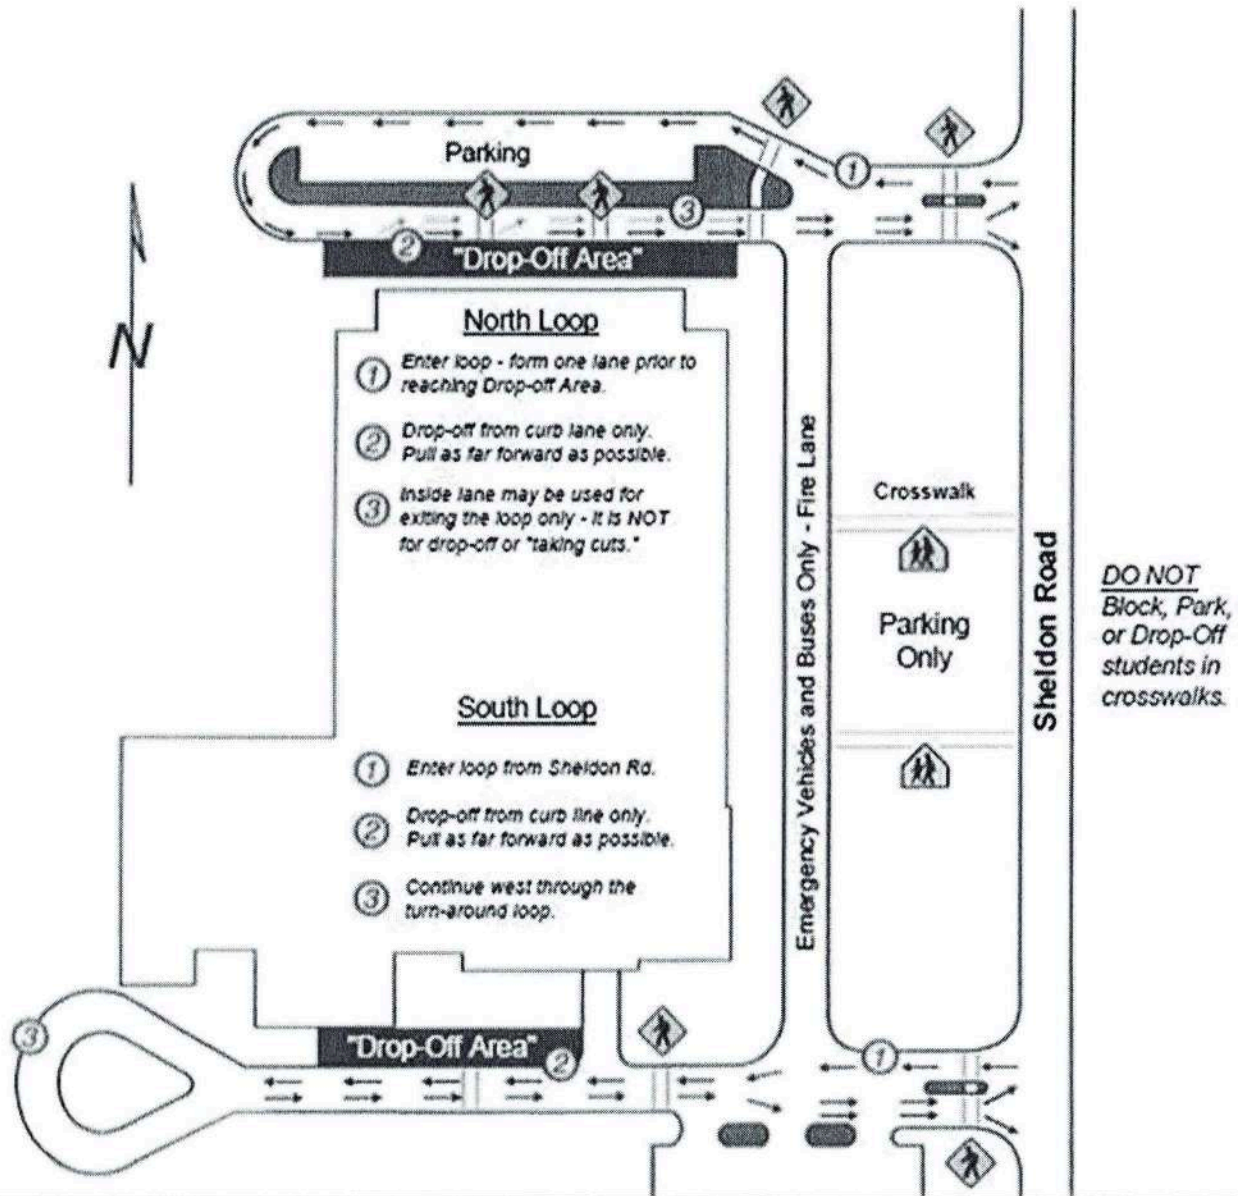

* Go to your building and the actual classroom BEFORE your testing day. Park in the structure and time your walk!

Be early!
