This Interlocal Agreement is made and entered into by and between Skagit Valley College, hereinafter referred to as "SVC", and Concrete School District, hereinafter referred to as "Agency", pursuant to the authority granted by Chapter 39.34 RCW.

## 2. PURPOSE

The purpose of this Agreement is to provide Career and Technical Education (CTE) dual credit interlocal articulation agreements designed to award college credit to students who successfully complete articulated college level CTE courses and programs while still in high school. RCW 28B.50.531 authorizes community and technical colleges to establish agreements in collaboration with local school districts. Upon successful completion of the identified course competencies with a grade of 'B' (3.0) or higher, the high school teacher's endorsement that the competency requirements have been met, articulated credit will be granted.

A dual credit interlocal articulation agreement is designed to provide students with a non-duplicative, coherent, sequence of progressive achievement leading to technical skill proficiency, a credential, a certificate, or a degree. The list of approved courses is included below.
