Do Something Big!!! Join Band!

Woodland Intermediate Band

April 2019

For all students attending Woodland as 5th Graders

Dear Parents/Guardian,

Soon, another school year will be ending. All of our 4th grade students will be moving to 5th grade. There are some exciting times ahead. With that in mind, it is time to think about the musical opportunity that your son or daughter has next year.

When students enter the 5th grade, they have the opportunity to begin instruction on a band instrument. As children grow, they need ways to express themselves individually as well as in a group. Playing in the band will provide the challenge to do both. Also, a child who learns to play an instrument learns discipline and cooperation with others. Band is something that your child can be a part of from 5th grade through high school.

Any students entering the 5th grade in the fall can be in the band program. However, they must enroll soon. **Band instruction begins in the month of August for two weeks. The dates of instruction are Aug. 5 – Aug. 16.** Lessons will be held at Woodland School. Students are able to choose from the following instruments: flute, clarinet, alto sax, tenor sax, trumpet, trombone, French horn, baritone horn, tuba and percussion.

*If your child is interested in being in the band next year, please complete the bottom of this letter by **Wednesday, May 1** and return it to your classroom teacher.*

Instrument try-outs will be starting the end of April. **Only those students who have returned their slip will be allowed to try out instruments.**

Together we will be able to make a choice as to what instrument would be suited for your child. Physical adaptability, previous musical experience as well as band instrumentation are the overall factors in the selection process. **There are no beginning band classes beyond 5th Grade. Therefore, now is the time to start band if your child is at all interested in being a part of this program.**

To fully inform parents and students about our program, **a meeting is scheduled for Tuesday, May 7, 2019 at 5:00 p.m.** before the Woodland Open House. You and your child should plan on attending this meeting. Along with enrollment forms being handed out, instruments will be demonstrated and information on how to get an instrument will be discussed. After the band meeting, please stay for the open house.

Hope to see you there!

FAMILY RESOURCE INFORMATION/ OPPORTUNITIES TO DONATE

You may or may not be aware that the Kimberly Area School District has two clothes closets that are located in two of our schools. One of the clothes closets is at Maplevue Intermediate (920-788-7910) and the other is at Westside Elementary (920-739-3578). If you would like to donate or are in need of some assistance with resources, you can contact Maplevue or Westside. In addition to the clothes, Woodland is frequently being offered ways to support our families if they should fall upon economic hardship. Please reach out to your child's teacher or school counselor if you are in need of any assistance throughout the year.

When to Keep Your Child Home

Children should be kept home from school when they don't feel well. It is important to get the rest they need to recover, and to prevent the spread of germs to other children and the staff. If you are unsure of when to keep your child home, please contact the school nurse or your family medical provider.

The following symptoms may suggest a communicable disease. Children who have the following symptoms should be kept home from school until a doctor has seen them, they no longer have symptoms indicating a communicable disease or they have received treatment for at least 24 hours for certain diseases.

FEVER

An oral temperature of 100.4 or higher indicates a fever. If your child has a temp of 100.4 or higher at school he/she will be sent home. Your child must be fever free for 24 hours without the use of a fever reducer (Tylenol or Ibuprofen product) before he/she returns to school.

SORE THROAT

If a fever is accompanied by a sore throat, stomach ache or head ache it may be strep throat. Strep throat is diagnosed by a throat culture obtained at a medical clinic. If your child is diagnosed with strep throat, your child must be on appropriate antibiotics for 24 hours and fever free for 24 hours without the use of a fever reducer (Tylenol or Ibuprofen product) before he/she returns to school.

VOMITING/DIARRHEA

If your child has an episode of vomiting and diarrhea at school, he/she will be sent home. Anyone with these symptoms should stay home until symptoms are absent for 24 hours.

COUGH

A cough may be a sign of many different illnesses. If a cough is accompanied by a fever, sore throat, body aches or any other symptoms you should keep your child home. Any cough that lasts for more than several days should be discussed with a doctor.

SKIN LESIONS/SORES

Rashes and infected sores needed to be diagnosed by a medical provider. Many skin rashes such as impetigo, scabies, chicken pox, Fifth disease or Hand Foot and Mouth disease are very contagious. Students may return to school once the rash has been diagnosed and treated for 24 hours or cleared by a doctor. Open sores from illnesses such as chicken pox and impetigo may need to be covered at school with bandages for several days.

OTHER

Symptoms that prevent the student from active participation in usual school activities OR student is requiring more care than school can safely provide.

 - Enroll in school and attend classes while the school gathers needed documents.
 - Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
- * If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.
