

WOODLAND INTERMEDIATE SCHOOL WEEKLY NOTES

April 7, 2021

- **Mark your calendar!** On Tuesday, April 20th, the 5th and 6th grade bands and the after school intramural choir will be performing live in the Woodland School gym. Please see the at-tached letter for more details. This information was also sent home with students before break. We are excited to share our music!
- The Fang's Reading Club with the Wisconsin Timber Rattlers started on March 28th and 1st base is due on April 13th. Please see the attached note for parents with additional details, including the Fang and Whiffer cutouts. A paper copy of this information was sent home with students the week before spring break.
- Attention all 5th grade artists! The Woodland PTO is having their annual Fun Run T-shirt Design Contest. The winning design will be featured on the t-shirt for next fall's fun run. Please see the at-tached flyer with instructions on how to submit your design. Designs are due by Wednesday, April 21st.
- The next Woodland School PTO meeting will be held virtually on Monday, April 19th at 6:30 pm. Please click [here](#) to join the meeting. All parents are welcome!
- Friday, April 23rd is the next spirit day at Woodland School and the theme is crazy hair day.
- **Important Update!** The Kimberly Area School District plans to return to full-time, in-person learning as the primary learning model for the 2021-2022 school year. An online option will only be available for students n grades 7-12. For questions or more information, please contact John Schultz at jschultz@kimberly.k12.wi.us.
- **The pop-top drive is on!** Several students from the Woodland Intermediate School Make a Difference Club have organized a pop-top drive to benefit the Ronald McDonald House, an organization helping families of children being treated for serious illness or injury...a family can stay in a house at a very minimal charge while their child is being diagnosed and treated for illness. The pop top drive goes through April 28th. Students and teachers can drop off pop-tops in a plastic bag with the number of pop-tops written on the bag at the designated bucket for their grade level. Students can keep track of the progress by checking the poster in the lunchroom showing how many pop-tops each grade has. The intermediate and elementary grade that collects the most pop-tops will get an extra recess for the entire grade! Let's help support our students who want to "Make a Difference!"
- Our LMC needs your help! There are library books that have not been returned since our closure last spring, including many from this school year. If you are doing any spring cleaning, please check for library books you might have. There will be no late fees or fines...we will just be happy to have them back! Thanks for checking!
- Please visit the KASD website and check out the [Community Events](#) page for some great opportunities and activities for your family.

5th & 6th Grade Band & After School Intramural Choir Concert Information

We are very pleased to announce that we will be able to offer a live performance to showcase our talented students' work! We have put together protocols to keep students and audience members safe. Please read the following information carefully and let us know if you have any questions.

Concert Date:

5th Grade Band - Tuesday, April 20, 2021 at 6:00 pm (concert to end by 6:40 pm)

6th Grade Band and Intramural Choir - Tuesday, April 20, 2021 at 7:15 pm

Band Information:

- 5th grade Band students will arrive at 5:45, through the west (bus entrance) doors and proceed to the cafeteria where they will unpack, 6 feet apart.
- 6th grade band students will arrive at 7:00, enter through the north (staff parking lot entrance) and proceed to the cafeteria where they will warm up 6 feet apart.
- The band will warm up and proceed to the gym, one section at a time.
- Band students will be seated 6+ feet apart, and perform on the north/main bleachers.
- Students will be dismissed from the bleachers to pack up in the cafeteria, and meet family outside the same doors from which they entered.
- While the students are packing up, the audience will be directed out the same doors from which they entered.

Intramural Choir Information:

- 6th grade choir students will arrive at 7:00, enter through the north (staff parking lot entrance) and proceed to the band room where they will warm up 6 feet apart. Students who are also in band will warm up with the band first.
- Choir students will move to the gym to stand 6+ feet apart, and perform on the north/main bleachers.
- Students will play tone chimes and sing with masks on.
- Choir students who are not in band will watch the band performance while standing in the back of the gym, 6+ feet apart from each other

Concert Attire:

- Brightly-colored shirt, t-shirt, or sweater. This is a celebration! Choir or band shirts and Woodland Intramural Shirts are acceptable. Nice-looking jeans, pants or skirts (no sweatpants), keep in mind that students will be performing on the bleachers, so skirts need to be knee length or longer. Shoes should be comfortable, to make it easy to climb the bleachers.

Audience:

- The audience will be seated on the gym floor in family pairs. Due to space limitations, there will only be two guests per student performer admitted. Pairs of chairs will be 6 feet apart. Seats will be assigned. Where possible, family members will be seated on the side in which their child will be performing.
- We ask that members of the audience, as well as our student musicians, please stay home if they are not feeling well. Prior to visiting campus, we ask those joining us for the Spring Concert to conduct a [brief healthscreen](#).
- The performance will be recorded, and put on YouTube for siblings, family and friends to enjoy.

Virtual Students

- Virtual students will join the performance via Google Meet or are welcome to join in person if they wish.

Masking and Distancing

- All students and audience members will be required to wear masks and observe social distancing protocols. Families will not be able to congregate inside the building prior to or following the performance.

We are so excited to be able to share the hard work of these dedicated students! Please let us know if you have any questions.

Sincerely,

Mrs. Been, Choir Director

Ms. Shimek, Band Director

Counselor Corner with Mrs. Gelhar

Virtual Update

Attention Virtual Learning Families: I wanted to take a moment to reach out to virtual learning families. As I mentioned in a newsletter towards the beginning of the year, I am available, if requested, to meet with your student virtually or supply other online resources for your consideration. If you are concerned about your child's mental health, please know I am here.

All virtual learners have had the opportunity to participate in classroom guidance this year. Both 5th and 6th graders have had 2 full units of guidance, which is the same as their in-person peers. Each grade will have one more unit before the year ends. Fifth graders started their final unit this week. This unit on careers will be 4 weeks long. Students are expected to check their Guidance Google Classroom each week during an active unit. Sixth grade students will start their final unit near the end of this month and into May.

In May, we will share any transition information that is pertinent for those returning to Woodland Intermediate or JRG next year.
