APRIL 2021

Class of the Month Spotlight

7th Grade

Seventh grade has enjoyed the month of March! In math, we compared scales of model tractors to actual tractors (courtesy of Mrs. Rossi). In science, students worked on their roller coaster projects while incorporating facts about the Arctic. In ELA, students started their literacy unit by reading the book *Lost in the Arctic*. In social studies, seventh grade has been learning about US history leading up to the Civil War, including topics like slavery and women's rights. The month of March ended with a nice relaxing spring break.

Counselor Connection

Happy Easter to everyone! Our guidance lessons are going to focus on resolving conflict, being a good friend, and having a positive attitude in April for the 4th grade classes. The middle school students will finish talking about their goals and how to take action on them. They will also learn about perseverance and being positive.

Ms. Thomas
School Counselor

DO YOU KNOW THIS STAFF PERSON?

1. My favorite food is tacos.
2. I like playing board games.
3. I was a phlebotomist for 20 years.
(Extra credit: Tell Mrs. Rennock what a phlebotomist does.)
4. I have 18 grandchildren.
5. I wear a size 12 shoe.

Answer: Mrs. Canady

Please contact Heather Thompson at livinghappy2018@yahoo.com with questions

THANK YOU FOR YOUR SUPPORT!

CENTRAL HIGH SCHOOL DISTRICT OF WESTOSHA

April 6 Referendum

The Central High School District of Westosha has spent nearly two years facility planning, evaluating a facility study, and conducting a community-wide survey. The results of these efforts led to the Board of Education's decision to place a referendum question on the April 6 ballot. If approved, the referendum will allow the District to address needs in four key areas.

THE NEED & SOLUTION // KEY AREAS OF FOCUS

ENHANCE SAFETY & SECURITY

Modify the main entrance to better monitor and control visitor access; upgrade/add security cameras and exterior locks; and revise drop-off/pick-up traffic flow.

UPGRADE BUILDING INFRASTRUCTURE

Replace lighting, flooring, ceilings, and walls; remove asbestos; replace sections of roof; and update plumbing, heating/ventilation, and electrical systems that have exceeded their useful life.

MODERNIZE EDUCATIONAL SPACES

Create and renovate spaces to provide better access to technology, flexible furniture, small-group instruction spaces, and modern art, choir, and Family & Consumer Science areas.

EXPAND ACTIVITIES & PERFORMING ARTS AREAS

Add a new gymnasium and cafeteria/commons and renovate the existing cafeteria to become an auditorium to support physical education, performing arts programs, and community events.

If voters approve the \$39,600,000 referendum question, the estimated annual tax increase will be \$59 per \$100,000 of equalized property value.

CONTACT INFORMATION

John Gendron, District Administrator

gendronj@westosha.k12.wi.us • 262.843.2321 ext. 222

www.westosha.k12.wi.us/referendum

VOTING INFORMATION

Visit myvote.wi.gov to learn more about voter registration, how to request an absentee ballot, and where to vote.

In-person absentee voting begins March 23. Check with your local municipal clerk for hours of operation.

Dear Paris School Community:

If you are aware of a new family in the Paris School attendance area with a prospective kindergartener that will be enrolling at Paris School for the 2021-2022 school year, please ask them to call the school office as soon as possible. Kindergarten screening is coming up very soon, and we want to be able to include them in our mailing. We appreciate your assistance in this regard.

Mrs. Dorn

School Secretary
