Action

In your packets is the proposed school year calendar for 2021-2022. As you will note we have reduced the number of half-days in the calendar to three (day before Thanksgiving, day before Holiday Vacation, and one in May). Also noted are holidays that represent members of our school community.

NEW BUSINESS:

School Committee Meeting Prior to Annual Town Meeting

Action

Historically, the School Committee has met prior to Town Meeting at Auburn High School for the purposes of discussing any last minute changes to warrant articles or school budget request. With Town Meeting taking place next week, I am not sure there is anything to discuss beyond what was discussed already this evening. We can choose to meet briefly or we cannot. I am looking for direction from the committee.

Recommended Motion: ... to meet / not meet prior to Town Meeting on May 4, 2021 for purposes of last minute reviews of warrant articles and budget.

AHS Out of State Field Trip to Jay Peak, Vermont**Action**

Included in your packet is a request from Michael Young, AHS Ski Club Advisor, to take members of the Ski Club to Jay Peak Ski Resort in Vermont over the weekend of March 11th to 13th in 2022. This is a trip that has taken place in prior years and had to be cancelled at the last minute in 2020 due to the pandemic, with Jay Peak refunding payments in full. It is my recommendation that you approve this trip provided all COVID restrictions have been lifted.

Recommended Motion:...to approve the AHS Ski Club trip to Jay Peak Resort in Vermont in March 2022.

NEASC Update**Information**

In your packets is a letter from NEASC regarding the 2-year progress report submitted by Auburn High School as a follow-up to their 2018 decennial visit. As you can see in the letter, Auburn High School continues to move forward addressing the few recommendations the visiting committee noted in their final report.

National Superintendent's Forum**Information**

April 11-13th I participated in the National Superintendent's Forum. I was invited to attend with colleagues from across all fifty states to discuss critical issues facing our schools including strategic plans for district and school improvement coming out of the pandemic, social-emotional concerns of faculty, staff, and students, issues surrounding diversity, equity, and inclusion within schools, among other virtual workshops. Albeit virtual via Zoom, it was inspiring, enlightening, thought - provoking, and informative. As I have referenced throughout the year, I am putting together my entry review as superintendent, and this will serve as a critical piece of that work I will be sharing with you soon.

Fall 2/Spring Sports**Information**

The "Fall 2" season successfully concluded last week. Spring athletics began Monday, April 26th. We are looking forward to seeing additional returns to the playing fields by our spring athletes and coaches, again, with appropriate COVID precautions in place.

SUPERINTENDENT'S REPORT

Second Donation of PPE from Gentex Optics

Mrs. Kauffman made a motion to accept with gratitude the second donation of reusable face shields from Gentex Optics in Dudley, through Mr. Ed Chamberland; Mrs. Holloway seconded the motion and it was unanimously approved.

UNFINISHED BUSINESS:

COVID Update/April 5th Return to School

Dr. Handfield noted that Covid numbers continue to ebb and flow but they continue to trend downward compared to where we were at the start of 2021. While we are pleased to see this happening, it is imperative we continue to mask, wash hands, socially distance. We should not be lulled into a false sense of security particularly those under 19 years of age.

Dr. Handfield shared that there will be two transition days next week with all students being together for the first time. Remote students had the opportunity to tour the buildings if they are returning to in-person learning. Tents will be erected this week at the elementary schools to provide more space for social distancing. If students are home sick, they will be allowed to zoom in to class.

There will be staggered pick up and drop off times with traffic details. Remote teachers, who had been coming in to their classrooms to teach remotely, will now be teaching from home because we don't have space in the buildings.

2021-2022 School Year Calendar

Dr. Handfield reported that we are still double-checking the School Calendar for next school year and reviewing it carefully to make sure that PD time in the calendar will be sufficient for the initiatives we will be undertaking. We will have the final calendar for review and approval at our meeting on April 14th (Public Hearing on Budget) or April 28th.

Mrs. Kauffman asked if Step Up Days/Transition Days could be added to the calendar and Dr. Handfield confirmed that they certainly could.

FY '22 Budget Update

Dr. Handfield shared that he had the opportunity to present the School Department's FY'22 budget to the Finance Committee on March 17th. It was a more streamlined version of what we presented during our budget discussions this year. The Finance Committee were very supportive and voted to recommend our number of \$27,988,540.45, which again is a 0.99% increase over last year's appropriated number at the June town meeting and a 2.89% increase over the appropriated number at our special town meeting in October. He noted that the School Committee's public hearing on the FY 22 draft budget will be held remotely on April 14th and then we will be seeking town meeting approval at the Annual Town Meeting on May 4th.

NEW BUSINESS: None.

TEACHING/LEARNING REPORT

Dr. Chamberland shared that recognizing the commitment we have to our students and staff, she shared several upcoming initiatives that should drive the professional learning in the District for several years to come. Each of these will positively impact the work we do with students in relation to academics, mental health, equity and diversity, and the use of technology:

CLEE-Center for Leadership and Educational Equity will serve to facilitate a Collaborative Equity Audit. This audit will examine data focusing on the root causes of inequity that may exist in the district and create recommendations to address these inequities. This work will harness the commitment of the team created by Dr. Handfield earlier in the year, providing us with a committed group of stakeholders to do this work.

Apple Innovation Team: Early last year, Mr. Bouvier and Dr. Chamberland established the Apple Innovation Team. This team is composed of interested and forward thinking staff members who recognize the importance of continuous growth in our use and application of technology to engage our students. Initial meetings were held last school year, with the pandemic interrupting the initial training of the committee. That training will begin again in earnest this summer. The model being that the staff members on the team become the school based leaders. Our initial focus will be on Auburn High School and Auburn Middle School, with the hope to expand to elementary schools as well.

District Mental Health Team: Mrs. Reidy and Dr. Chamberland are spearheading the creation of a District-wide mental health team. The initial focus of this team will be to complete a needs assessment examining the current staffing levels and programming in place to support the mental health needs of our students. Upon completion of a District Level Mental Health Profile and a review of Evidence Based Practices present in the district, we will create

an action plan. The action plan will serve to guide staffing and programming decisions along with identifying areas of need to create a robust and comprehensive mental health program for our students.

Summer School: Through the use of grant funding, we will again offer summer programming to meet the needs of our students. This programming will focus on further developing the literacy and math skills of our students. We are using grant funding to add additional staff, allowing us to then invite more students. The summer sessions will include students from kindergarten through grade 8. We hope to have additional special education staff as well as guidance staff added this summer to ensure students receive all the support they need. The program will run for 4 weeks from July 12th to August 5th.

BUSINESS/FINANCIAL REPORT

Year to Date Budget Report:

Information

Mrs. Wirzbicki provided a year to date budget report dated March 22, 2021.

Budget Transfers:

Action

Mrs. Wirzbicki provided a list of budget transfers dated March 22, 2021 between same series for the Committee's information and some between different series requiring their approval.

Prior to making a motion to approve the transfers between series as presented, Mrs. Holloway asked why there were notations "to preserve school choice for future funding?" Mrs. Wirzbicki explained that we can carry forward school choice funds to the following year but have to fully expend the operating budget. We try to offset different things to preserve for future funding. With this explanation, Dr. McCrillis made a motion to approve the transfers between the series as presented; Mrs. Holloway seconded the motion and it was unanimously approved.

Bus Application for 2021-2022 School Year

Mrs. Wirzbicki noted that the bus application for next school year has been shared with all families via One Call emails and will continue to be. Hard copies will be sent home with Tri II report cards at the end of March. It is also posted on the website.

She noted that she is currently working through busing with families for the remainder of this school year. March 24th is the deadline for families to register if they have not already done so. Anyone having a question with regard to busing should reach out to me directly.

ADJOURNMENT:

At 7:23 p.m., there being no further business to discuss, Mrs. Kauffman made a motion to adjourn for the evening; Mrs. Holloway seconded the motion and it was unanimously approved.

Respectfully submitted,

Year to Date Budget Report:

Mrs. Wirzbicki provided a year to date budget report dated April 8, 2021.

Budget Transfers:

Dr. McCrillis made a motion to accept the Budget Transfers listed between the different series as presented by the Business Manager; Mrs. Holloway seconded the motion and it was unanimously approved.

The members had some questions regarding the full return to school: Dr. McCrillis asked about the cost of the police details. Dr. Handfield indicated that they would continue at SWIS but for the other buildings, the details would stop.

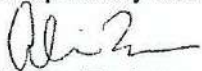

Mrs. Holloway asked if there were chairs for the students to sit on in the tents, this because of the possibility of tick bites if they were sitting directly on the grass. Dr. Handfield indicated that there were chairs, some students brought towels to sit on and others used yoga mats from the building.

Mrs. Harrington then asked if we spray for ticks and Dr. Handfield said that we do per regulations and we also use a pest control company.

AUBURN PUBLIC SCHOOLS
2021-2022 CALENDAR

[illegible]

Article 13. To see if the Town Meeting will vote to appropriate \$150,000.00 from Medicaid Receipts within the General Fund Revenues to the Auburn School Department Operating Budget for Fiscal Year 2022 to fund supplies and medical, therapeutic and educational services for significantly disabled special needs students as well as tuition and transportation to and from outside placements or within the District for special needs students; or act on anything relative thereto.

By the Auburn School Committee

As noted, Medicaid funds are reimbursed after the fact for services rendered; such services are provided by the Auburn Public Schools in support of Medicaid-eligible students. The monies go into the General Fund and then, with approval of Town Meeting, are used by the School Department. Since these funds are in reimbursement of services already provided, we respectfully request your approval of this Article.

Article 14. To see if the Town Meeting will vote to appropriate \$_____, which is the interest earned by the Auburn High School Gymnasium Health and Recreational Trust Fund to offset School Department costs at Auburn High School in support of community health and recreational activities at Auburn High School gymnasium and related facilities and equipment; or act on anything relative thereto.

By the Auburn School Committee

With Town Meeting's approval, these funds will be used to offset the cost of site managers at Auburn High School in support of the community's use of the Auburn High Gymnasium, therefore we respectfully request your approval of this Article.

Article 15. To see if the Town Meeting will vote to appropriate \$_____, from McKinney-Vento Receipts within the General Fund Revenues to the Auburn School Department Operating Budget for Fiscal Year 2022 to fund transportation for students to and from school who have become homeless during the Fiscal Year, or act on anything relative thereto.

By the Auburn School Committee

The District spends funds each year transporting homeless students, either to their home district (we share in the cost with the receiving District, 50%-50%) or paying half the cost to another district to transport a student who had previously attended an Auburn School prior to becoming homeless and moving into temporary housing out of Town, to the Auburn Schools. Since these funds are in reimbursement for transportation already provided, we respectfully request your approval of this Article.

Article 16. To see if the Town Meeting will vote to appropriate \$_____, from Foster Care Transportation Receipts within the General Fund Revenues to the Auburn School Department Operating Budget for Fiscal Year 2022, to fund transportation costs for students to and from school, who are residing in Foster Care placements during the Fiscal Year, or act on anything relative thereto.

By the Auburn School Committee

In order to support educational stability for children who are placed in foster care, the 2015 Every Student Succeeds Act (ESSA) requires the children in foster care remain in their school of origin, unless it is determined not to be in the child's best interest to remain in that school. The law also requires the children in foster care be provided transportation to their school of origin. At the Town Meeting in May of 2020, it was approved for the Superintendent to sign a Memorandum of Understanding with the Department of Children and Families, the Executive Office of Health and Human services and the Department of Elementary and Secondary Education in order to obtain Federal Title IV-E reimbursement. Auburn Public Schools by meeting the requirements can expect to receive a percentage of the transportation costs

incurred in the prior year. Since these funds are in reimbursement for transportation already provided, we respectfully request your approval of this Article.

Article 17. To see if the Town Meeting will vote to re-purpose CIP Funds by amending Article A4, of the May 2019 Town Meeting, Swanson Road Building Rehab, (Acct.#302020-582050) as follows: Authorize the remaining amount of \$7,000.00 to be used in combination with other CIP funds, towards the removal of the Swanson Road Oil Tank; or act on anything relative thereto.

By the Auburn School Committee

In anticipation of the removal of the Oil Tank at Swanson Road School in the Summer of 2021, the School Department would like to use the remaining amount of \$7,000.00 in Swanson Road Building Rehab, to be applied in combination with other CIP funds in order to cover newly projected costs, and therefore, we respectfully request your approval of this Article.

Article 18. To see if the Town Meeting will vote to re-purpose CIP funds by amending Article A4, of the May 2017 Town Meeting, Building Rehab of Central Administration Building (Acct.# 302018-581843) as follows: Authorize the balance of \$15,000.00 to be returned to the Town of Auburn for use on the Goddard Park Library Project in combination with other Town CIP funds.

By the Auburn School Committee

With the Central Administration Building Funds for rehab at 5 West Street currently on hold with the anticipation of a new Town Safety Complex, discussion has ensued with the Town Manager regarding the use of this amount of older CIP funding to be used for the benefit of the Town's Library Project in combination with other Town CIP funds, and therefore, we respectfully request your approval of this Article.

Article 19. To see if the Town Meeting will vote to re-purpose a portion of CIP funds by reducing Article A4, of the May 2018 Town Meeting, Building Rehab of Central Administration Building (Acct.# 302019-581962) as follows: Authorize the reduction of \$10,000.00 from this Article to be returned to the Town of Auburn for use on the Goddard Park Library Project in combination with other Town CIP funds.

By the Auburn School Committee

Please see above as explanation is the same as that for Article #6.

On behalf of the Auburn School Committee and the entire Auburn Public Schools, I respectfully request your approval of the above articles.

Thank you for your continued support of the Auburn Public Schools.

Yours in Education,

Dr. Casey Handfield

Dan Delongchamp
Principal
Auburn High School
99 Auburn Street
Auburn, MA 01501

Dear Mr. Delongchamp:

The Commission on Public Schools, at its March 8, 2021 meeting, reviewed the Two-Year Progress Report of Auburn High School and continued the school's Accreditation.

The Commission was pleased to learn of:

- the creation of the restorative justice committee and the role it has played in establishing adult-student connections
- the dedicated 30-minutes on Wednesdays for the faculty to connect with students in fixed groups and the maintenance of those groups each year for consistency
- the restorative circles established during advisory that center around community and relationship building, social-emotional health, responsibility, and self-regulation
- the district's financial support of teachers who serve as leaders of the restorative justice committee and the resulting improvements in school climate and culture

As well, the Commission commended the following:

- the addition of the 21st century learning expectations and subsequent reporting of student proficiency on report cards
- the update of curriculum documents that reflect the Understanding by Design model
- the dedication of formal and specific time for teachers to meet and collaborate on curriculum, instruction, and data analysis of formative and summative common assessments
- the development of formal surveys for current students and alumni to collect data to inform school improvement planning efforts
- the alignment of the school's core values and beliefs about learning through common departmental course expectations and syllabi

- the hiring of two additional nurses to meet the needs of the student population during the pandemic
- the successful creation and implementation of the new hybrid schedule during the pandemic
- the ongoing success in competitions, such as Quiz Show, We The People, and the Marching Band, despite the pandemic

The Commission requested that school officials submit a Special Progress Report by June 1, 2022, providing detailed information on action taken to address the following highlighted recommendations:

- create and implement a formal timeline to collaboratively review and revise core values, beliefs, and vision of the graduate, based on updated research and with all community stakeholders
- create a formalized approach to the revision, implementation, calibration, and review of student results from school-wide rubrics
- implement a formal process, based on school-wide rubrics, to assess whole-school progress in achieving the school's vision of the graduate

All Accredited schools are required to submit a Five-Year Progress Report, which in the case of Auburn High School, is due February 1, 2023. The report should provide detailed responses to the highlighted recommendations listed below:

- provide dedicated time for teachers to collaborate, both inter-departmentally and cross-departmentally, on the review and alignment of the curriculum and the development, calibration, and review of rubrics designated to assess vision of the graduate
- provide time for cross-departmental collaboration, including co-teaching
- schedule appropriate time for special educators to meet and consult with students on their caseload

The school is reminded that information about the proper preparation of the Five-Year Progress Report can be found at <https://cpemhs.neasc.org>, under the "Process" tab, *Five-Year Progress Report*. In that report, school officials are required to respond to two types of recommendations: Section I, highlighted recommendations from notification letter(s), and Section II, general report recommendations not classified as Completed from Section II in the school's Two-Year Progress Report, as well as the requested information in Sections III-IX.

School officials are reminded that all valid recommendations in the Decennial Accreditation Report should have been completed or be in the final stages of implementation when the school submits its Five-Year Progress Report. Inadequate progress to complete valid recommendations could result in a request for additional Progress Reports or a downgrading of the school's Accredited status. The Commission requests that it be kept apprised of any substantive changes in the school no later than sixty days following their occurrence. For your convenience, we have enclosed a copy of the Substantive Change Policy.

The school's Accreditation status will be reviewed when the Commission considers the Special Progress Report. The school's Special Progress Report should be submitted only by the principal through the Accreditation Portal by clicking on the green, "Mark Progress Report Complete" button.

To School Committee Members and Superintendent of Auburn Public Schools:

I am requesting permission for a field trip to Jay Peak Resort in Jay, VT, for the Auburn High School Ski and Snowboard Club. The trip will be taken place on Friday, March 11, 2022, through Sunday, March 13, 2022. These dates were chosen because it will have no effect on the students' in class learning time or attendance because the students will not miss any days of school. The cost per student will be between \$475 and \$550 per person with the most likely cost being \$500 per person based on 30 students. The more students participating, the lower the cost per person. Each chaperones' travel expenses are covered for every eight student packages paid. The reason for the estimate range is the cost person cannot be determined exactly until we have an exact count of the number of students.

This trip is the same trip that was planned to take place in March of 2020 which was cancelled due to the COVID-19 pandemic. If we reserve our trip before the end of the school year, we will receive a 20% discount from the Jay Peak Resort.

The package includes hotel room for two (2) nights, two (2) breakfasts, two (2) dinners, a 3-day lift ticket, 3-day water park ticket, and transportation to and from Auburn High School and Jay Peak Resort.

This is a great opportunity for the students to learn how to behave without their parents, enjoy a great experience with their friends, and pursue a lifelong activity for a healthy lifestyle. We have been running the ski and snowboard trips since 2013 without incidents.

"Alpine skiing is a mix of endurance and resistance training," says Dr. Josef Niebauer, a professor of sports medicine and cardiology and director of the Institute for Molecular Sports and Rehabilitation Medicine at Paracelsus Medical University in Salzburg, Austria. "It has positive effects on the heart and circulation, as well as peripheral muscles—predominately the legs. In terms of working your heart, Niebauer's [research](#) has shown that downhill skiing roughly equates to cycling or rowing workouts.

Dear Parent(s)/Guardian(s):

As the Jay Peak Ski and Snowboard Trip coordinator, I have acquired consent from the Auburn School Committee for a weekend ski and snowboard trip to Jay Peak Resort at 830 Jay Peak Rd., Jay, VT 05859. Due to the limitations of the lodging accommodations at Jay Peak Resort, the Jay Peak Ski and Snowboard Trip can only **accommodate up to 40 students**. The first 40 students to submit all their completed forms with the non-refundable deposit of \$100 will be accepted. Students who submit their completed forms and a \$100 deposit after the first 40 accepted students will be placed on a waiting list in the order that the forms and deposit were received. If a student is placed on the waiting list and he/she is not accepted to participate in the Jay Peak Ski and Snowboard Trip, all monies will be refunded. If the Jay Peak Ski and Snowboard Trip is cancelled prior to the required deposit paid to Jay Peak Resort, due to the lack of interest, all monies including the deposit will be refunded to ALL the students that had paid. **If the trip is cancelled after the initial deposit to Jay Peak Resort is delivered, then all refunds, if any, will be subject to the Jay Peak Resort cancellation policies.**

I believe that this trip will help the students exhibit their full comprehension of the Social Expectations that are put forth by our faculty and staff in the Auburn High School Core Values. They will be asked to act in accordance with the Auburn High School Student Handbook and represent Auburn High School in a way that would make the Auburn community proud.

The cost of the trip will be between \$475 and \$550 per student (**best reasonable estimate: \$500/person**). The price includes transportation to and from Auburn High School and Jay Peak Resort, one (1) 3-day lift ticket; one (1) 3-day water park pass, two (2) breakfasts, two (2) dinners, two (2) nights of lodging. There is an additional fee for the rental of ski or snowboard equipment for the three (3) days, if necessary. The bus will depart Auburn High School at approximately 7:00 AM on Friday March 11, 2022 and return to AHS at approximately 9:00 PM on Sunday March 13, 2021. There will be a Jay Peak Trip informational meeting on Wednesday, September 15, 2021 in the Auburn High School presentation room at 6:30 PM for all interested students and their parents. **An initial \$100 DEPOSIT is due on or before September 30, 2021, the balance to be paid in four (4) installments of \$100 (depending on the final cost) on the 15th of each month from October to January. NOTE: THE INITIAL DEPOSIT WILL BECOME NON-REFUNDABLE ONCE THE CONTRACT WITH TO JAY PEAK RESORT IS SIGNED.**

Auburn High School has adopted a set of rules and policies for the students to follow to make this trip safe and enjoyable for everyone including any COVID-19 protocols put in place by Auburn Public Schools, Jay Peak Resort, the States of MA, and/or VT. Listed below are the policies and regulations, followed by a name and signature line for students and parent(s)/guardian(s) to sign to acknowledge their understanding and willingness to abide by these rules. If a student disobeys any of the following rules, a parent will be called, and the student may be sent home immediately, or confined to the lodge with a chaperone until our departure from Jay Peak Resort and the student will not be allowed to participate in any future AHS Ski and Snowboard Club activities. No monies will be refunded either! This will be strictly enforced!

All school rules will apply for this trip, including but not limited to no fighting, no smoking, and no alcohol/drug use and at no time are students to be with anyone other than a chaperone or their classmates.

Cancellation Policy: The Superintendent reserves the right to cancel an approved field trip up until the time of departure. In the event of a cancellation, the school system is not responsible for any expenses incurred.

Any student who violates school rules stipulated in the student handbook or the specific rules for this trip may be sent home immediately or confined to the lodge with a chaperone until our departure from Jay Peak Resort. The student will not be allowed to participate in any future AHS Ski and Snowboard Club activities. **If a student is sent home, a parent/guardian must arrange for transportation from Jay Peak Resort at the parent/guardian expense. No monies will be refunded.**

RE: Obsolete and Surplus Food Service Equipment

I am seeking approval to have the following list of four pieces of equipment deemed obsolete for disposal purposes. The following equipment is obsolete and without further value to our food service program and is located at Auburn High School. The mixer is not operational and parts cannot be purchased to repair the unit. The two beverage coolers we have are open air, and do not provide the structural shelving to offer grab and go items such as salads, sandwiches and beverages for students and staff. Additionally, they are not energy efficient and have required more repair in recent years. Two replacement refrigeration units have glass front doors are owned by the department and offer increased shelving space and would be more energy efficient. They were purchased (used) for our year long Meals TOGO operation at Auburn Middle School. The flat top grill does not have temperature regulation and is utilized on a very limited basis. We have no plans to utilize this piece of equipment in the future.

These replacement refrigerators we currently own have been moved from AMS to AHS. Disposal of these pieces of equipment will be completed by Gillette Equipment pending School Committee approval.

The AHS equipment to be disposed of is as follows:

- 1 Tabletop Commercial Mixer
- 2 Open Air Beverage Coolers
- 1 Flat Grill Flat Top

Thank you very much for your consideration.

Sincerely,

Janice King
