

Language Assessment Part I: Following Directions

	Name:
Please follow the following directions to the best of your ability. You have 30 minutes to complete this test. Results will be compiled into formative assessment documents and will be used to project progression into future establishments. Please read all of the questions care before you begin the test. Start Time:	
1.	In the top right hand corner of this page, draw a square
2.	Draw a large "X" through the center of the square
3.	Place a right-angled triangle on top of the square
	Look at the person sitting in front of you. In the space below, draw a sketch of the back of their head. If there is nobody sitting in front of you, draw a sketch of the back of your own head.
5.	In the space below, write the word "small", using the tiniest letters that you can.
6.	Find the value of X: $X + 4 = 7$ $X = $
7.	If you are the first person in your class to reach this question, loudly and clearly, call out "FIRST!"

8. Draw three circles in the space below. Try to make them identical to each other. Do not use any aids (ie. compass, tracers, etc.)
9. Draw a smiley face in the middle circle.
 Quietly come to the front of the room and write your name in BLOCK letters on the chalk board. Use only purple chalk.
11. Find a number that is half of 16 and the sum of two prime numbers. Write the answer here:
12. Write your entire name (first, middle, last), without any vowels.
13. If you are the first person to get to this question, loudly call out, "I am the best at following directions!"
15. Write the word "hello" in any language other than English. Write down the name of the language.
16. Solve, using proper order of operations: (8+2) - 2 x 3 Show your work.
17. In the space below, write the alphabet backwards (starting with Z) and circle all of the vowels. Put a heart around any letters that appear in your first name.
18. Complete only question one (Thank you for taking the time to read all of the questions before beginning this test). You may now put your pencil down and smugly wait to see if any of your classmates fall for the trick.
Finish Time:
