Flip Flops Needed!

The front office is asking for flip flops (especially larger sizes) in case a student's shoes break at school. As the warmer weather approaches, the need for flip flops grows and supply is low.

Thank you!!!

Staff Spotlight!

Mrs. Cindy Helms - 4th Grade

Hometown: Indian Trail, NC

How many years at Fairview?: 14

Favorite restaurant: Outback Steakhouse

City you would like to visit: Any city in Hawaii

Favorite sport/team to watch: Green Bay Packers football

College: Wingate University for a BS in Business Management and Masters in Teaching

Why did you become a teacher? I wanted to be a role model to students and show them that they can learn anything as long as they are willing to work hard. I had several teachers that I really learned a great deal from and wanted to be able to do the same with others.

Name of your 4th grade teacher: Mrs. Norwood at Indian Trail Elementary

Favorite thing to do when not at school: I love to go to movies. I want to be a movie critic!

Most rewarding part of being a teacher: Young students are so full of life and energy. I love to see them learning in the classroom and using that knowledge to teach another student that is struggling. The smile on their face or the comment about helping another student to be successful is the best feeling!

Silliest fact about you: I can't sleep at night unless my toes are out from under the covers!

Volunteer Spotlight for April/May

Carrie Holloway

Carrie has done an amazing job serving as the secretary of Fairview's PTO. She helped to keep events running smoothly until we were able to fill the President position. She's also been super active with the Fifth Grade Legacy committee. Last but not least, she organized another extremely successful Bingo night!

We are so thankful to have such a helpful volunteer at our school.
