

A WORD FROM OUR SUPERINTENDENT~ DAVE MARZOLF

As you likely know, we are in the middle of the Montana 68th Regular Legislative Session. This happens every two years, and is how our state legislature introduces new bills for the governor to consider signing into law.

One bill this Session is House Bill 690. HB690 introduces new language intended to further protect the privacy and security of the students of Montana. As such, we here at SRVS are following it closely.

HB690 covers several details of privacy and security. One such detail is the use of facial recognition technology. SRVS uses facial recognition technology with our camera system, and we have done so for some time now. The use of facial recognition technology associated with our security system is vitally important to tracking known and, more importantly, unknown people who come onto school properties.

The leadership team and I take student data privacy very seriously, and we are committed to ensuring that only appropriate school personnel have access to sensitive information, including the camera systems. We work closely with law enforcement as appropriate, and are proud of the work we do together as a community to ensure the safety of our students and faculty. As we track HB690, we will ensure that SRVS remains compliant with Montana law as we continue to extend the safety and data privacy protections that we have always been committed to. Please feel free to contact me directly if you have any questions on this or any other topic.

~ *Mr. Luke McKinley*

I can't believe that graduation is right around the corner! Below are some important dates for the graduating class of 2023:

- May 9th-11th : Semester Exams
- May 14th-15th-16th: Senior Trip
- May 17th– Graduation Rehearsal and Checkout 8:00 AM

Speaking of schedules, this spring's activity schedule is currently being placed on the school Google calendar. Please take notice of the updated events for March-April-May. Please be aware that all schedules are subject to change. Although it's approaching the end of our school year, we are busy getting things organized and getting the Fall 2023 activities schedule ready for next year. We have Homecoming Week 2023 on the books for September 25th-30th.

Lastly, I would like to thank our Simms Faculty and Teachers, Custodians, Cafeteria, Business Manager, IT Department, Paraprofessionals, and Substitutes! Thank you for your hard work and continued support ! GO TIGERS!!

~ **Mr. Luke McKinley, 6-12 Principal**

Post-Season Results!

Divisional B-C Wrestling 2023 Results:

Simms Girls Wrestling

Hayley Petersen 1st 100lbs

Micah Widmer 2nd 107lbs

Lilian Schubarth 1st 132lbs

Morgan Feist 1st 145lbs , Divisional quick pin award

Simms Boys Wrestling

Will Mishler 8th 145lbs

Reese Hammond 9th 113lbs

Simms Girls: 2nd Place Team B/C Western Divisional

State Wrestling B-C 2023

Lilian Schubarth STATE CHAMPION
132 lbs.

Hayley Petersen 3rd PLACE 100 lbs.

Congratulations Coaches and all wrestlers that competed at State!

Basketball Girls & Boys High

School Results: The Boys team had a winning season, but fell short to qualify for the Divisional Tournament. The Simms Girls placed first in the District Tournament! At Divisional the following week, the Tigers were eliminated from the tournament, and their season came to and end.

Speech & Drama State B/C Tournament Results: Manhattan Christian High School

Roland Carrier 20th place Dramatic Solo

Hannah Nivens - 16th place Dramatic Oral Interpretation

Gunner Afilleje -14th place Impromptu

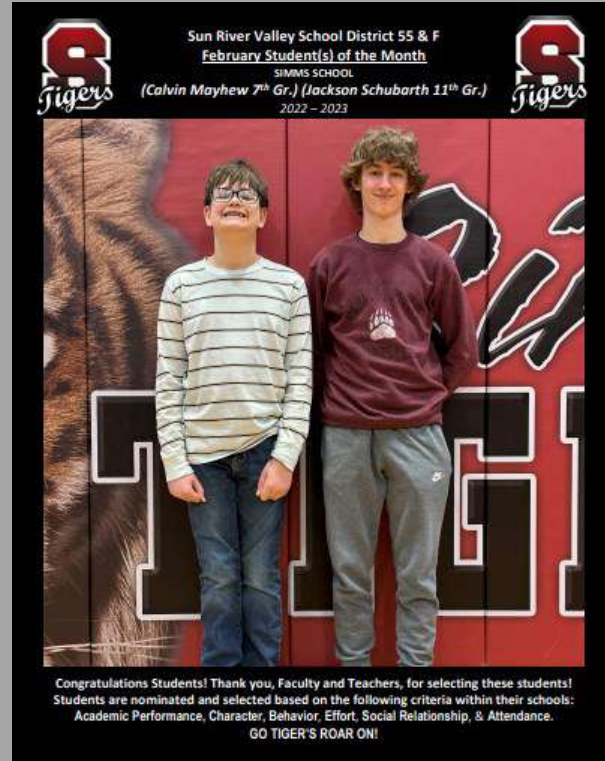

Lily Johnson - 14th place Memorized Public Address

Allie Redmond - tied for 10th place Original Oratory

Jackson Schubarth - 4th place Lincoln Douglas Debate

Jackson Schubarth made it to the Quarterfinals of Lincoln Douglas Debate, and Allie Redmond made it to the semifinals of Original Oratory. Congratulation's to the participants and coaches on a great year!

SIMMS SCHOOLS

Sun River Valley Families,
Our staff at Fort Shaw Elementary is wishing you a wonderful spring season! We are delighted to have the opportunity for a school ski trip up at Showdown on March 31st, 2023. Please let the main office know if you have any questions. The bus will leave Simms High School at 7AM and make the following stops:

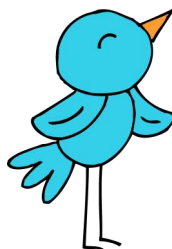

- ♦ **Fort Shaw Post Office: 7:15 AM**
- ♦ **Sun River Gym : 7:30 AM**
- ♦ **Mormon Church: 7:40 AM**
- ♦ **Valley Country Store: 7:55 AM**

We ask that you please don't be late. The bus will not wait. We will return between 6:00 PM and 7:00 PM. Parents will need to make arrangements to drop off and pick up their child on the 31st.

Next, we are in our last trimester of the 2022-2023 school year, and next month students will be taking the SBAC and Maps assessments. It is a busy time for everyone, so please ensure your child is getting proper rest and healthy meals! Stay tuned for our Spring Concert date, and end of the year activities for K-5th grade students.

A kind reminder we will not have school on April 10th for Spring Break, and Spring Pictures will be April 17th. Thank you for all you do for our community, staff, and students!

Best wishes for a healthy Spring~ Holly Kincaid, Pre-K-5 Principal

News from

REDNEK ROBOTICS

Back row: Mark Hall (Mentor), Chuck Merja (Mentor), Robyn Mathison, Charlie Gompert, Carsten Brooks. Front Row: Kaleb Pollington, Isaac Snyder, Tristan Short

At the Montana FIRST TECH Challenge competition held in Bozeman on February 2nd, RedNek Robotics from Sun River won the Inspire Award, earning our way to the 2023 World Championships in Houston, TX April 10th-22nd. The Inspire Award is given to the team who best embodies the 'challenge' of FIRST (*For Inspiration and Recognition of Science and Technology*) and is an ambassador and role model. RedNek Robotics will be in Houston competing against 600 other teams from all around the world.

RedNek Robotics is a robotics and science club located in Sun River, MT. Although the team is based out of Sun River, our six-person team encompasses an area of over 600 square miles, with kids from Great Falls, Cascade, Dearborn, Fairfield, and the Sun River Valley. Since the beginning of the team in 2005, we've won the FTC World Competition three times and placed second twice. Along with robotics, our team does real world engineering and projects to help, teach, and inspire our community. One of our biggest projects, finished in August 2022, was creating a motorized trike for a teen boy with a disability that hinders the mobility of his lower body. For the first time in his life, he could ride his "bike" with his friends. Now comes the challenge of raising a significant amount of money to make the trip. If you would like to help with expenses, please send an email to chuckm@3rivers.net. Thank you!

FOOD ASSIGNMENT!

Thursday April 6th, 2023

Hi Everyone! Thank you for your support of the music program at Sun River Valley Schools! Here are a few events coming up that you are welcome to attend if you are able:

Monday, March 27th: Middle School Mass Choir at Choteau School– Middle School Choir students will assemble in MASS with students from as far across the state as Shelby, Cut Bank, and our area too! Students will rehearse all day and perform a concert together at 6:30 PM.

Monday, April 3rd: Middle School Mass Band at Power Schools– Middle School Band Students (who are not attending State Science Fair– go Science!) will assemble in Mass as well! Students will rehearse in large groups throughout the day and perform a concert together at 6:00 PM.

Thursday, April 20th District Music Festival (Group Day) at University of Providence– Simms High School students will perform, be adjudicated, and ranked with other schools from our District. Parents and families are welcome to attend. Our time right now is TBA, but watch the School's Google Calendar for an update schedule soon!

Friday, April 21st– District Music Festival (Solo & Ensemble Day) at CMR High School. Students from the band and choir programs at Simms High School will perform for an adjudicator and have an opportunity to qualify for the State Music Festival in Helena on May 5th and 6th.

Tuesday, April 25th– Simms (6-12) Spring Music Concert with Choir and Band performing at 6:30 PM

Tuesday, May 2nd– Simms High School Students' Class Projects at 1:30-2:30 PM in the Simms Music Room. Students' families, friends, or other faculty are welcome to attend!

Tuesday, May 9th, Music Participant Banquet in the Music Room at 6:30 PM–Please sign up for a dish on the Google Sign-up form that's been shared with your student.

TBA Simms Talent Show!– Students and staff are encouraged to show off some of their skills! Can you rap, can you do a gymnastics routine, can you tell jokes? See Mrs. Davidson for details. Prizes will be awarded by the judge panel. Also, if you're interested in being a stage-hand, volunteer, or involved in another way, please let MRs. Davidson know! We need all sorts of help to make an event like this possible! ~Mrs. Davidson, Band and Choir Teacher

Counselor's Corner

Spring 2023

I can't believe we are already into spring! Seems like just a short time ago, we welcomed back students for the new year! Spring is a busy time in both middle and high school, with everyone pushing to get through to that last day!

In the high school, March brings the yearly ACT test for juniors. This year, 31 juniors will participate in this annual assessment on Tuesday, March 28th, at 8:30 AM, in the gymnasium. The ACT test serves two purposes; it provides the district with a measure of progress for the junior students to ensure they are making adequate progress toward graduation and serves as a college admissions test and a tool for college course placement. This year for the first time at Simms High School, the ACT test will be entirely online instead of the traditional paper and pencil format. The students' advantage to taking the test online includes receiving their test scores much faster. With online testing, it is only a matter of a few days before students can access their results; using paper testing, students often wait more than 2 weeks. The online test also provides an on-screen timer and a built-in calculator for students. Earlier in March, a group of junior students participated in a mock administration of the ACT, which tested our network here at the school, as well as students' Chromebooks to make sure online testing would be successful – the mock administration went smoothly with no issues from either side! Seniors should still be on the lookout for scholarships to assist them in paying for their post-secondary plans. Every senior has had access since the 1st day of school to a Google Scholarship classroom that lists multiple scholarship opportunities, and these updates are posted regularly.

A lot of scholarships have deadlines in April; students should be checking their emails for notifications regarding the posting of new scholarships as well as checking for upcoming deadlines. Deadlines for scholarships are hard deadlines, with **NO EXCEPTIONS**. Anyone attending college in the fall should have their FAFSA completed by now; if that is a step that is still needing completion, you can do that here:

<https://studentaid.gov/h/apply-for-aid/fafsa>

Some need-based scholarships require completing the FAFSA to even be considered for an award. Remember - just completing the FAFSA does NOT obligate you to take the money offered. You have the option of accepting the aid or not.

Spring is a testing season for other grades as well. The final round of MAP testing begins the week of April 3rd; students in grades 6-10 are tested in Math, Reading, Language, and Science. Also, in April, the testing window begins for the Smarter Balanced Assessment Consortium (SBAC). This assessment is given to grades 6-8 to assess student knowledge and skills in English Language Arts/Literacy and Math, as well as to measure growth from the previous year. These tests are completed over a two-week period, April 17th – 27th. Eighth-grade students will also take the State Science Assessment during this two-week window. With high-stakes testing, please emphasize to your child the importance of getting enough sleep and eating healthy so they can do their best.

Graduation is right around the corner! “Senioritis” has hit the halls of Simms High School with a vengeance! Seniors need to continue working hard through the 3rd and 4th quarters and finish out the year strong! Seniors must provide any scholarship information and post-secondary plans to Mrs. Fryberger in the office **no later than May 1st** for it to be included in the commencement program. This year, seniors will hold their commencement exercises on **Sunday, May 21st, at 1 PM in the Simms High School gymnasium. Best Wishes to the Class of 2023!**

“There are far, far better things ahead than any we leave behind.” —C.S. Lewis

Prom 2023

Queen: Genevieve Badgett, King: Andrew Hansen

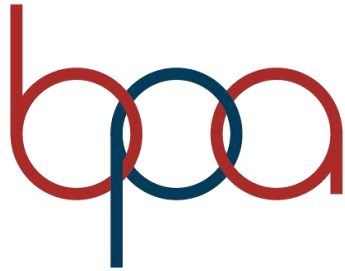

The Class of 2023 will conduct its commencement ceremony starting at 1:00 PM on Sunday, May 21st. Congratulations to the Simms Seniors and their families!

Parents of seniors, please expect a letter in the mail indicating general reminders and notifications. Please contact the school if you are interested in helping out with this activity.

BUSINESS PROFESSIONALS of AMERICA

During March 11th-13th, 2023 students of the Simms High School BPA (Business Professionals of America) chapter competed with 1,216 students from across the state in a variety of events in Billings. The chapter received an award for their Biz Bowl Championship Award at Fall Leadership Conference. Other awards won, were the award for the best entrepreneurial idea in Shark Tank by Carsten Brooks, and the Silver Star Award for a chapter in good standing. Hudson Rohrer was awarded a state office as the State Communications Director. Kodiann Lynn was awarded a \$1000.00 scholarship for her involvement in BPA to be used at the college of her choosing. Lastly, 4 students earned their Statesman Torch Awards: Jackson Schubarth, Hudson Rohrer, Kodiann Lynn and Laura Zietzke.

Those who excelled in the competition now have the opportunity to compete at the national level in Anaheim, California in April. The Simms High School and Middle School BPA are sending 18 students. The qualifying placings are as follows:

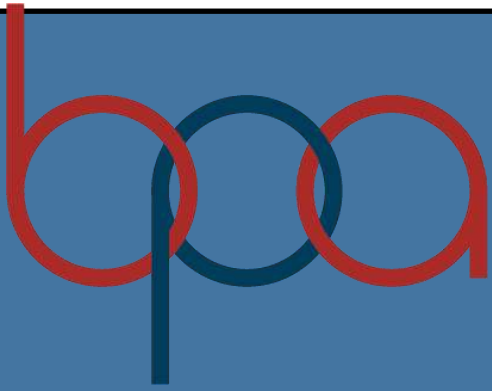

High School:

William Mishler - Administrative Support Research Project (4th)
 Kylie Harrison - Computer Network Technology (6th) Network Design Team (1st)
 Lexi Mital - Digital Media Production (3rd)
 Jackson Schubarth - Economic Research Individual (1st)
 Alex Baranko - Economic Research Team (3rd) Broadcast Production Team (2nd)
 Nina Okes - Economic Research Team (3rd) Broadcast Production Team (2nd)
 Austin Naude - Network Design Team (1st)
 Hudson Rohrer - Network Design Team (1st)
 Laura Zietzke - Network Design Team (1st)
 Ezra Leach - User Experience Design Team (1st)
 Kodiann Lynn - User Experience Design Team (1st)
 Carsten Brooks - Python Programming (5th) User Experience Design Team (1st) Broadcast Production Team (2nd)
 Marshall Kunkel - Broadcast Production Team (2nd)

Middle School:

Jewel Banuelos- Visual Design Team 1st
 Brayden Hammond - Entrepreneurship Exploration (1st)
 Casey Gorence - Extemporaneous Speech (2nd)
 Ella Fryberger - Presentation Team (1st) Website Design Team (1st)
 Grace Standley - Presentation Team (1st) Website Design Team (1st)
 Riley Sweeney- Visual Design Team 1st
 Gracie Zbinden - Presentation Team (1st) Website Design Team (1st)

All of these contestants will be putting their best foot forward and traveling to California in late April! Wish them the best of luck! This trip is very costly- if you are interested in sponsoring the Simms BPA chapter, please email Jennifer Rohrer, jrohrer@srvs.k12.mt.us or call her at 264-5110 ext. 109. Thank you for your continued support.

BUSINESS PROFESSIONALS of AMERICA

The National Qualifiers!

Tiger Football!**

Elections Cancelled by Acclamation

The annual School Election has been cancelled by acclamation. The Sun River Valley School District had three openings on the School Board. Incumbents Timothy "TJ" Reifer and Kristopher Rushton were the only ones who filed for the election. They will be duly elected by acclamation. Congratulations TJ and Kris! ~ Belinda Klick, District Business Clerk

SRVS is currently in need of substitute teachers for the 2023-2024 school year. If you are interested, please contact our office at 406-264-5110 x124.
