

NORTHEAST PTO HORNET NEWS

NE Staff Spotlight Mr. Jared Angerman

- **What do you teach at NE?** I teach 7th and 8th grade science.
- **How long have you been teaching at NE and where before that?** This is my first full year at Northeast. I joined the Northeast family last May as an LTS. Before that, I was living in Wilkes-Barre and working at Wyoming Area Secondary Center as a substitute teacher. This is also the school where I did my student teaching in the fall of 2022.
- **What is your favorite memory about teaching?** In my short career, my favorite memory of teaching is running my first clubs. I have had a wonderful time running the chess club and helping with the baseball intramural club at Northeast. I like giving the students another avenue of opportunity for learning and socializing at school. Developing strong friendships while learning is a great way for students to bond through mutual hobbies.
- **What do you do over the Summer?** In the past 3 summers, I have worked construction as a laborer and flagger. This summer, I plan to start my masters degree.
- **Are you married?** No
- **Do you have kids and if so how many?** No
- **Where were you born?** I was born in Bethlehem in December of 1998.

NE Staff Spotlight Ms. Abiel Sine

- **What position do you have at NE?** I teach 7th grade life science.
- **How long have you been teaching at NE and where before that?** I just started teaching at NEMS this January! I have been teaching for 3 years. I taught at Freemansburg Elementary School before coming to NEMS.
- **What is your favorite memory about your teaching?** My favorite memories so far have been when I have gotten to do labs with my students in the classroom. It's great to see the students engage in hands-on activities and ask/answer scientific questions.
- **What do you do over the Summer?** Over the summer I spend lots of time doing anything outside: hiking, going to the beach, kayaking, and gardening to name a few.
- **Are you married?** I'm not married yet, but will be getting married this July 4th in England!
- **Do you have kids and if so how many?** I do not have any kids ... yet.
- **Where were you born?** I was born in Scranton, PA.
- **Anything else you want to add?** I went to NEMS myself when I was a pre-teen and it has been a wonderful experience to be back as a teacher.

April

SPRING
