

Hello Artists!

We love and miss you! Remember to have hope during this time and know your teachers are always here for you. We want you to continue to be creative and use art as a stress reliever!

With Love and Creativity, Mrs. Wise and Mrs. Royall

These art assignments are not graded, nor extra credit. They are only for continued learning if you would like to create during this period while we are not in school! Creating is such a stress relieving practice, I myself will be creating over this break and look forward to hear about and see what you created!
