

Art Choice Board

How many can you complete while we are out of school as Artists in the wild? Remember to stay safe, have fun, and wash your hands before and after each assignment!

Scavenger Hunt

Color Match

Pick a color: How many objects around the house match? Make a pile or take photos of what you find

Shape Search

How many different kinds of SHAPES can you find in your house?

Find Forms

How many different kinds of 3D FORMS can you find in your bedroom?

Texture

How many different kinds of TEXTURES can you find outside? Take pictures or make crayon rubbings

Found Object Color Collection

Use items from around your house to create a COLOR WHEEL or VALUE SCALE

Alphabet Soup

Use a camera: Can you find letters hidden in everyday objects? Take photos and collect the alphabet.

Found Word Poem

Cut up some magazines or newspapers (with permission) Make a poem, story, and/or picture collage .

The Great Outdoors

Land Art

Go outside to gather rocks, sticks, and leaves. Arrange them to make a picture. Take a photo to remember it by.

Nature Mandala

Go outside to gather rocks, sticks, and leaves. Arrange them with RADIAL SYMMETRY Take a photo to remember it by.

Gnome Home

Build a home for magic creatures that could live in your yard. Only use supplies you find outside.

Nature Photography

Take a walk around your neighborhood. Document what you see; cloud formations, friends from afar, animal habitats, etc.

Impressionism

Go outside and draw or paint the landscape you see. Take a clipboard or hardback book to give you a better art surface.

Mud Painting

Use mud as paint! What things in nature can you use to make paint? Paint a picture on the sidewalk (with parent permission!)

Cheerful Chalk

Take a walk around your neighborhood. Use sidewalk chalk to make cheerful drawings for everyone on your street

Social Creation

Kitchen Creation

Help your family cook something following a recipe. Decorate and plate your masterpiece like the culinary artist you are.

Art Battleship

Draw/Sculpt something without showing your partner. Describe what you made and have your partner try and copy.

Art Teacher

You're the Art Teacher now! Teach a family member or friend an art lesson (in person or face-time)

Partner Portraits

Draw a portrait of someone across from you (at home or on a screen) Have them draw you too! Bonus: Make silly faces!

Author/Illustrator

Write a short story and share it with a friend. Have them illustrate your story and you illustrate theirs.

Puppet Show

Create a puppet show! Make puppets, use stuffed animals, make paper dolls, etc. Put on a show (in person or face-time)

Instructional Poster

Make a poster about ways to stay healthy. Hang it in your house and have your parents share it with family and friends online.

I Need Ideas!

Portraits

Create a PORTRAIT of your self, your family or your pets. Challenge: Don't use drawing supplies! Think outside the box.

Inspirational Quote

Find a quote you like, Write it making the letters fancy; draw, paint, magazine collage. Hang it up when you are done.

Tell Me A Story

Create a comic strip or flip book about you as a superhero. What powers will you have? Who will be the villain?

Still Life

Gather 3-5 objects and arrange them in any way. Line them up or stack them. NOW DRAW IT! (Add Shading)

Make a Museum

Design your own museum! 2D or 3D. Find or make all the art inside. Give someone a tour!

Architecture

Design the coolest club house ever! Draw, paint, sculpt, build, etc. Get creative with your materials.

Fashion Design

Design a hip new article of clothing! Draw it or Create it 3D. Who would wear it? What makes it special?

Remember to share your creations with your art teachers!
