

Art Leaders Application

Art Leaders is a group especially for 4th and 5th grade students who are interested in using art as a way to improve our school and community. We will work on projects that beautify our building and make others feel better by sharing our creativity and encouraging positivity. We will generously give our art to others, in the hopes of inspiring them to make the world a better place.

First and Last Name _____

Grade (circle one) 4 5
