Teacher's Signature _____

New this year you will find two items of interest.

1. If you are tardy to class without a pass, you will automatically sign the tardy book that will be located at the front of the room on the front table. Name, date and period. Once your name appears 3 times you will receive a detention. There is no discussion. This is expectation.
2. A Gadget Basket will be on my desk to assist those who have difficulty focusing with cell phones, fidget spinners or any other gadgets that will distract you and your classmates from being the best you can be. You can do this voluntarily in the beginning of the class which shows great character or I may have to suggest that you enter your gadget into the basket for safe keeping until the end of the period to help you regain your focus.
