Release of Records

As your child is enrolled in the Riverview/Brunswick 21st Century Community Learning Centers program, and this program is funded in part by a Maine Dept. of Education, our use of this funding for the program requires that we report certain results to the Maine DOE, including academics, student MEDMS number, attendance, discipline, behavior, activity participation, and classroom performance. In addition to compliance with reporting requirements, use of these data assists program managers to make informed decisions about program adjustments and improvements, matching students with needs, program sustainability, and program replication in other sites. Our reporting of positive student results may increase our chances of securing continued and additional funding to operate this program. All information collected will be restricted and used solely for serving student needs and approved program evaluation purposes. Each staff member who has access to data receives proper training on the importance of confidentiality of the data. Information can be found at USDE's FERPA page: <http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html>. By my signature, I authorize Riverview Foundation and Brunswick School Department to collect and maintain data for my student named below for the purposes of matching my student to services and for program evaluation and reporting. I understand that my student will not be identifiable in any reports to entities or individuals outside of the Riverview/Brunswick 21st CCLC Program.

The Riverview/Brunswick 21st CCLC Program will take field trips during the afterschool program. These field trip locations and dates will be posted on the program event calendars which will be sent home with the students, posted at the program site and sent to parents via email when possible. We will always return by normal dismissal time, unless we notify you in advance. I give permission for my child to leave the school property with supervision from the Riverview/Brunswick 21st CCLC Program partners, directors, officers, employees, agents, and volunteers. While taking part in these community field trips I release the Brunswick School Department and Riverview Foundation from responsibility for any risk of bodily injury, death, or property damage as covered in the "General Release of Liability."
