

Mrs. Katie's Home ART Challenge

Be inspired by Vincent van Gogh! Observe flowers or plants in nature, draw them carefully, and color. If you draw them in a vase like the one pictured above, your work will certainly be van Gogh style! Sign your name on the vase like van Gogh did.

Illustrate a scene from your favorite book. Be descriptive with your pictures and include as many details as you can. Then tell your story to someone!

Do you like to recycle? Using found objects from around the house, make a robot sculpture! Give it a name!

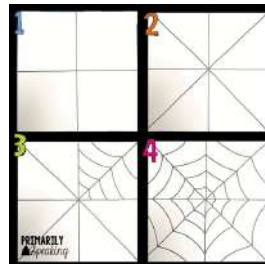

Collect nature objects from around your yard and create something amazing! Leaves, sticks, acorns, moss, and rocks can be your art supplies!

If you had your own castle, what would it look like? Draw your own castle, inside and outside, and make sure to have secret passages and a treasure room!

Can you find objects in your house from all of the colors in the rainbow...and arrange them in the right order? Red, Orange, Yellow, Green, Blue, Violet ... go for it!

Have you spied any creepy crawlies lately? Create your own amazing spider web! You could make a spider to go with it!

Build a tiny house in nature... or even a whole village! Add little people too!

Give yourself wacky hair, with lots of patterns and texture. Use a photo of your own face or find one in a magazine. Using a pen or marker for the hair works great!

DO you remember the warm colors and cool colors? Create a sun/moon abstract art. Include textures and patterns in your design.

Trace your hands, trace your shoes. Then draw YOU behind them. You could make it look like you are falling...up or down!

Do you have some string, yarn, or ribbon? Wrap it around a stick to create a "loom". Weave things into it that you find outside or extra pieces of yarn from your craft box!
