SENIOR QUOTES

If you are sending me a Senior Quote, make sure:

1. Subject line is "Senior Quote: Full Name"
2. Your quote is appropriate for a G-rated school publication. Children and grandparents dote over this book.
3. You included attribution (who said it?)
4. You have PROOFREAD your quote.

*If you did not do all of these things, please resend it- we use the latest time-stamp.
Handwritten/verbal quotes are not accepted- I am not a good typist!*

If you are writing about anything else, I will get back to you asap.

I am part time, and can be found Period 4 in A-8, then in A-6 for the rest of the day.

CONGRATULATIONS! Two of Kristine Levy's digital art students, Alanna Schetty (grade 11), and Bridget DeGiorgio (grade 11), have created winning entries in the "Embracing Our Differences" art competition, run by the Suffolk Center on the Holocaust, Diversity & Human Understanding.

Ms. Levy's classes entered their digital artwork created using visual metaphor as a way to promote tolerance and diversity. Each winning work of art will be enlarged to 12 x 16 feet, and exhibited on the Grant Campus of Suffolk County Community College, Brentwood, running from October 14 – 27. There will be a special reception that will celebrate our artists at a date and time to be announced.

The winning entries are attached.

ATTENTION WINTER ATHLETES: Winter sports for the Jr. High start on Wednesday, November 6, 2013. For the High School, all sports start on Monday, November 18, 2013. Participants must bring a completed Coaches Authorization Card to the Health Office and must have a current physical on file. Cards can be obtained in the Main Office. For those students needing a physical, the **school doctor will be in the Health Office on Friday, November 1, 2013 at 7:45 am.** Students needing a physical must report to the Health Office PROMPTLY at 7:45 am. If you have any questions, see Ms. Pendel or call (631) 367-6904.

FROM THE HEALTH OFFICE: In order to keep our students as healthy and safe as possible, we would like all parents to stress to their children the importance of good hygiene. Encourage them to wash their hands often and to cover their mouth with the crook of their elbow when they cough. Send them to school with bottled water and/or drinks and tell them not to share their drinks with their friends.

Most important of all, if your child is sick, keep him/her home. If your child tells you that he/she is not feeling well, please take your child's temperature. If your child has a temperature of 100° or above, he/she must stay home until they are fever free without medication for 24 hours. Hopefully, with your help we can all have a safe and healthy school year.

Comments from the Athletic Director:

The Fall Season is in full swing. Some of the Varsity Teams are making a push towards the playoffs. This Fall season we have 18 High School Teams and 11 Junior High Teams competing in interscholastic athletics. Cold Spring Harbor has a lot to be proud of with 350 HS Athletes and 240 7th and 8th grade athletes involved in the Athletic Program. All with hopes of surpassing individual goals and achieving goals set by the team.

Upcoming Events this Fall:

1. October 12th at 2pm is the Homecoming Football Game vs Locust Valley. The game will be played on Seahawk Field.
2. Girls Field Hockey Breast Cancer Game is October 16th vs North Shore under lights at 7pm on Seahawk Field. WEAR PINK!!!
3. October 21st at 6:30pm in the NEW GYM – CSH Fencing is hosting an open house. All interested Fencers (All Levels) are encouraged to attend.

Team Highlights:

1. The Varsity Girls Volleyball team took a trip to CW Post to watch a collegiate game. After the game the girls had the opportunity to meet and speak with the players. It was a great experience and fun for the entire team. Great Job by Coach Emily Wildermuth for organizing this trip.

Physical Education:

Classes are in full swing, where the students are engaged and active in a variety of units. Some of the units going on in the department are: Golf, Tennis, Frisbee and Mountain Bike riding. The importance of Physical Education cannot be stressed enough. Our knowledgeable and energetic staff has a fun, exciting and educational curriculum in store for the students. An upcoming program to take place in November will be SAPP (Substance Abuse Prevention Program) for the 8th and 9th grade students.

Health:

In the health department some of the units being taught are *Communication, decision making skills, refusal skills, conflict resolution, nutrition, alcohol, tobacco, and self esteem*. These topics are practical and the education provided will be beneficial in everyday life. Mr. Homer and Mr. Phelan do an outstanding job with students. Each day in class the students are engaged and truly learning valuable lessons that are practical to everyday life.
