V. **SUPERINTENDENT ROBINSON**

g. Good News from our Schools

Beginning of the 2022-2023 School Update:

Mrs. Robinson updated the Board on the beginning of school. Senator Mark Warner visited the eighth-grade students at Ridgeview Middle School on the first day of school. Mrs. Robinson recognized our teachers Ms. Hay, Mrs. Fletcher, and the Ridgeview Middle School Staff for how well prepared for Senator Warner's visit they were. Our eighth-grade students represented us well and we were so proud of them with their questions. A Roundtable discussion was held at RMS with several of our candidates, local officials, and superintendents in attendance. The convocation on Monday was excellent. We had an excellent speaker who spoke on trauma for our students.

Mrs. Robinson thanked all of the DCPS Faculty and Staff for their contribution to a successful beginning of school. Mrs. Robinson recognized Sherriff Fleming and the Dickenson County Sheriff's Department for the active shooter training. They did an excellent job.

h. Update on New Elementary School Construction Project

Tim Burge, Construction Superintendent with Skanska, presented a report on the construction of the new elementary school and updated the School Board.

I.Certification of the 2022 -2023 DCPS Crisis Plan

Mrs. Martin presented the 2022-2023 Crises Plan

Virginia Code § 22.1-279.8 requires Virginia's public school boards to annually review the written school crisis, emergency management, and medical emergency response plans of each school it supervises. Superintendents shall certify this review no later than August 31 of each year.

Beginning in July 2019, an amendment to the Code as a result of HB1737 requires that in addition to providing copies of such plans, each school board must include the chief law-enforcement officer, the fire chief, the chief of the emergency medical services agency, the executive director of the relevant regional emergency medical services council, and the emergency management official of the locality, or their designees, in the development and annual review of its crisis, emergency management, and medical emergency response plans.

j Discussion of Staff Substitute Shortage

Mrs. Robinson:

While facing a significant teacher shortage, school divisions across the state are also facing a shortage of substitutes for all positions. Simply stated, when a staff member is absent, there may not be substitutes available.

This year we are trying to address the substitute shortage in different ways. With the bus drivers, we have tried to hire what we've called two floating bus drivers that would simply be there available whenever we would need a bus driver. We have not been able to achieve that goal because they are driving for other drivers that have to be out.

For our teacher shortages, one way that we are trying to address this is that we have hired full-time substitutes for our schools. One full-time substitute in each school and two at RHS because of the large number of staff members.

k. Update of Request from the Dickenson County Fair committee

Mrs. Robinson:

Regarding Friday, Sept 16, 2022, and our 1st and 2nd graders attending the Dickenson County Fair: VACORP, our insurance carrier, has requested certain documents from the fair committee. We are waiting on those and hope to receive those soon.

Mrs. Robinson asked for the Board to consider revising the calendar and dismiss Schools on Friday, September 16th at 12:00 p.m. and 12:15 p.m. Teacher Workday until 3:00 p.m. so our children and our families will get to enjoy the Dickenson County Fair.

Following a motion by Damon Rasnick and second by Rick Mullins, the 2022-2023 DCPS Calendar was revised to add an early dismissal on September 16, 2022.

VI. BOARD COMMENT

Rick Mullins: It is really good to see the new school continuing with Mr. Burge, with all the work they have done there. It's really great to know that we have such a great staff. This last week has been great with school starting in a very positive way. To those teachers and students with the biscuit situation with Mark Warner, that's just fantastic and I think you all ought to consider another part-time, maybe you could be a lobbyist or something. Thank you all for all that you did to do that. I'd like to mention that on WCYB last night that Ridgeview was rated number two. That was really good, a lot of positive things going on.

Damon Rasnick: It seems from my point of view that it's been a good start. It's a challenge every day to keep everybody safe. Everybody on the roads and in the classrooms and wherever. It's just a big task every single day and we all know that. I was so proud of those eighth graders they sat there and were so well behaved and listened and their questions were on target to the Senator. He certainly responded in an excellent fashion to those students. He has been a friend to Dickenson County in so many ways as those before him. I know it's easy to mix up John Warner and Mark Warner. I had the privilege of meeting both in my time. He came to Clintwood Elementary several years ago when Mr. John Warner came to Dickenson County on many occasions. For those of you who live on these ridges out here on Backbone and Long Ridge where I live, and Brushy Ridge, etc., and even into Frying Pan where the first settlers settled in. There is public water up there now and those people took such an interest in us and helped us with the Public Service Authority in Dickenson County to just work miracles. I said that I would like to see public water go to every child's house, for every child to have access to public water. That is right much impossible but we probably did as well as we could given the circumstances. They can't fund things that simply can't be funded. Most people out there now have access and that's a huge blessing for our kids. It makes life so much easier for everybody, all of our families. I say keep on going. I hope our football team has the best success and all the sports, the band I see everything they are involved in. That seems exciting. I do not know Mr. McCullough but I read about what he does. He stays busy, it's obvious, many things come across our mail. The teacher shortage is not just here, it's all around the Country. Dickenson County has a pretty competitive package as far as the employee benefits package. The salary is less than some, Mrs. Robinson gives that information to us from every County. The insurance policy in Dickenson County is about twenty-four thousand dollars per family. That is the cost of that. Some people go to a neighboring county and make thousands more on their salary but their insurance is a little different. It's competitive out there. Dickenson County has to be in a position to compete in order to keep things going in a productive way for students and for our employees. I just hope that all the leaders in Dickenson County now and in the future understand that this is serious business. These kids are here and they deserve the best. We need to provide for them as best we can. I just hope everybody comes together in a good way and gets along and tries to solve this in a reasonably effective manner.

August 24, 2022

Jamie Hackney: I just wanted to thank Senator Mark Warner for visiting our schools this week. I just wanted to say I appreciate the rest of the Board for allowing me to participate remotely.

Jason Hicks: I am excited to see a good start to the school year. It's always pretty exciting when that rolls around. I think with the extra long break that kids are probably ready to get out. I used to love summer break but I was always, well I got kind of bored and then it was time to go back. Hopefully, that's where they're at and I'm sure that is where a lot of our staff was at too. I know that is Board and our community and parents and kids appreciate the folks that work with Dickenson County Schools from the administrators and teachers and paraprofessionals and coaches and bus drivers, and nurses and our cooks and everybody involved. We really do appreciate it. It's all about these kids and the best that we can give them. We have some absolutely fantastic people that work with our kids and we have some absolutely fantastic kids to work with.
