

Cedar Crest Middle School Newsletter August/September, 2019

Principal's Message

Dear Parents:

Welcome to a new school year at Cedar Crest Middle School! On August 26, 2019, we will begin the 2019-2020 school year! The faculty and administration are excited about the upcoming year! We hope that you will have a successful and enjoyable experience at the middle school. As the principal, I am looking forward to working with you and your children to help make this school year one that is full of positive and wonderful learning opportunities.

This school year holds many experiences that we are excited to share with you. Cedar Crest Middle School is a 1:1 school with each student receiving a laptop to use for school! We could not be more excited about the possibilities that this initiative creates for our students. We are so grateful to Dr. Murray and the Technology Support staff for helping us with these amazing opportunities!

Our schedule also allows students the opportunity to receive academic assistance during Flex time and take advantage of the resources available through our NEST (Nurturing Everyone's Strengths and Talents) program. Our Falcons CARE program has continued to grow and expand into fantastic community outreach and support opportunities for our students!

Please review the information in this newsletter carefully as it is pertinent to the start of school.

Middle school can be both a challenging and rewarding time. Please know that the faculty and staff at Cedar Crest Middle School are here to assist you and your students throughout this school year.

Best wishes for a wonderful and productive school year!

Sincerely,

Mariah L. Rackley
Principal

P-SP provides academic incentives for each marking period, sponsors the fall and spring dances, and numerous other activities at the school. This year we hope to continue these activities as well as others throughout the year.

We need you! The first meeting of the school year will be Thursday, August 15 at 7:00 pm in the CCMS Learning Center (Library). We will discuss events for the school year, organize committees and much more. We look forward to seeing you that evening!

Giant A+ Program

Each year, you can earn CASH for our school by shopping at Giant food stores. During the 2018-19 school year, P-SP earned over \$4,484.92! Details will be distributed as they are available from Giant!

News from the Nurse

Please review information in the handbook related to health services with your student. Whenever possible, medications should be given at home. The Cornwall-Lebanon School District adopted the medication policy using the Pennsylvania Department of Health guidelines. Guidelines require both parent and physician signatures for administration of both prescribed and over the counter medications (Tylenol, Tums, Ibuprofen). A parent or adult designee must transport all medications to and from school. Students may not transport medications to or from school unless an order to self-carry a medication is signed by both the parent and physician.

Falcon Fridays at CCMS

Every Friday at CCMS is Falcon Friday! On Falcon Friday, all students and staff should wear our school colors—blue and grey—or their favorite Falcon Spirit or Cedar Crest gear to promote our #CommUNITY, school culture, and Falcon Pride!

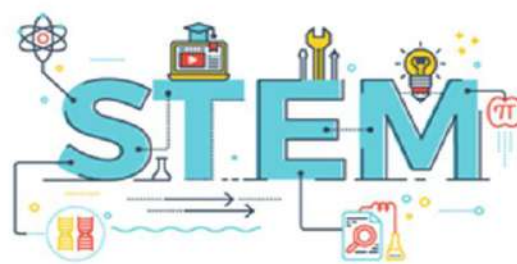

This year, we are planning contests and special photo opportunities on Falcon Fridays! Look for Falcon Friday Features on our social media networks!

Gym Locks

Gym locks can be purchased in the main office at a cost of \$5 beginning Tuesday, August 13 from 9:00 am to 3:00 pm. Only school purchased locks may be placed on gym lockers. The purchase of gym locks is highly encouraged, and the locks can be used for the rest of your child's school career.

Physical Education Shirts

Dress requirements and information regarding ordering shirts for phys. ed. will be discussed with students on the first day that they have PE. Paperwork will be sent home regarding how to order shirts. Students are responsible for ordering their own shirts. All money and orders will be handled through the physical education department; no money will be collected until after the shirts arrive.

6th Grade Activity Night Thursday, August 15, 2019 Beginning at 7:00 PM during the CCMS P-SP meeting

All parents who are attending the P-SP meeting are welcome to bring their incoming 6th grade students to Room A-04! This will be a great opportunity for students to meet other 6th graders and explore fun STEM activities. Please e-mail Mrs. Becker with any questions (kbecker@clsd.k12.pa.us).

Bus Transportation

Students' bus assignments are based on their home address. In the cases of split families, within the district, and day care is needed for all week, Monday thru Friday, please contact the district office at 717-272-2031 to arrange bus assignments to both parents' addresses if needed.

Transfer passes for students to ride buses other than those to which they are assigned will be issued **ONLY IN CASES OF EXTREME EMERGENCY** because of overcrowding in fully assigned buses. "As Needed" bus card will need the reason for the alternate stop, and the date they will need to ride that bus (i.e., morning, afternoon, or both). One day "emergency" cards will be issued only to those students submitting a **written note with the above information.** Staying over at another student's home or going to an evening social event with another student are NOT emergencies. Transportation to events is a parental responsibility. Students who face an emergency and are in need of a transfer must submit a note containing the above information to the office upon their arrival at school in the morning.

Cornwall-Lebanon buses will use audio and video recording devices to monitor bus behavior in accordance with CLSD Policy #810.2.

Bus information was posted to Skyward on August 5. Please refer to the Skylert message on August 5 for details regarding transportation information. This information can be viewed through the Family Access website by clicking on the Student Info tab and then View Bus Schedule. Any questions regarding transportation should be directed to the District Office at 717-272-2031.

Activity Buses

The Cornwall-Lebanon School District provides activity buses for secondary students who must stay after school for athletic activities, club activities, other school related activities, tutoring, and detention. The activity buses leave the middle school main entrance starting at 4:15 pm. The activity buses run Monday through Thursday during the school year. Information regarding the activity bus runs, the location that the buses serve, and the bus number for the area is posted at several locations in the middle school. Our school staff is also available to assist students with determining the correct activity bus to take for the journey home. **Students are encouraged to have their school ID to board activity buses. It is the students' responsibility to know which activity bus they ride before boarding the bus.**

Only students who are involved in supervised after school athletics or activities may ride the activity buses. Students who choose to stay after school to observe an activity such as a sporting event are not permitted to ride the activity buses. Activity buses are a convenience offered to parents who are not able to secure their child who is involved in a supervised after school athletic event or other school activity.

Activity buses are not a replacement for the regularly scheduled bus routes. The activity bus may only bring a student to the approximate area where the student resides. Students need to advise the driver where they need to depart the bus in advance of the stop. Parents may still have to drive to a suitable location along the route to transport the student home. Students riding the activity buses are subject to the same disciplinary guidelines as students who ride the regular buses.
