
Awkward Family Photos

— Studio Lighting Project —

Project Requirements

- Create a series of awkward family photos with your classmates
- Photo should look professionally done, including lighting and backdrop (no backdrop required for available light photo)
- Series of 4 photos with the following lighting techniques
 - Silhouette (artificial back light)
 - Diffused, directional light (artificial)
 - Direct, directional light (artificial)
 - Available light (any type)

*Bonus points for extra awkwardness

- A realistic stuffed animal as a family pet
- Doll as family baby
- Matching clothing
- Christmas theme
- Extra awkward pose
