General Biology Field Trip

November 10, 2017

The A. Linwood Holton Governor's School **Biology** classes will be holding their Fall 2017 field trip on Monday, November 20, 2017. Students are encouraged to attend this educational adventure, not only for the learning experience and the social interaction with their peers, but to fulfill the requirements for dual enrollment.

Students will meet on the campus of **Emory & Henry** beginning at 9:45 a.m. The trip will conclude at 3:00 p.m. that afternoon. Students are responsible for their own transportation to the Emory and Henry Campus: they need to park in Lot 4 next to the Admissions Office parking lot. The campus address of the Admissions office is 30479 Armbrister Drive, Meadowview, VA 24361.

Directions to Lot 4 are as follows:

- ✓ Take the 2nd entrance to the campus with the stone pillars,
- ✓ Take the first left, and Lot 4 is the first parking lot on the left.
- ✓ Someone from Admissions will be there to direct them over to the McGlothlin Center for the Arts.

Students should dress in comfortable clothing for walking around campus and participating in science laboratory activities. Comfortable walking shoes and layers of clothing will ensure comfort as we move between indoor and outdoor venues.

In order to make this adventure an enjoyable learning experience for everyone, all students will need to abide by the following:

Participation:

- All students who register for this field trip will be required, without exception, to participate in ALL activities of the field trip.
- While it is not a requirement to attend this field trip, important lab requirements (for these courses) and scientific explorations will be fulfilled at this time. *Students who do not participate in this trip will be required to complete a research project that will be assigned by their instructor in lieu of the information they will have missed.*

Dear Parent or Guardian:

As you know, the A. Linwood Holton Governor's School is planning a high quality field trip in the near future; it is as follows:

Mrs. Julie Reimer will be taking her General Biology classes to Emory & Henry College on November 20, 2017.

Unfortunately, there are many perils in the world today; sadly, some new and different ones exist in our own Country. The A. We have adequate and qualified adult supervision and expect the very best conduct and deportment from your son or daughter.
