See our website for more information:

ONLINE COURSE POLICIES

Online Class Withdrawal Policy:

If you withdraw your enrollment for an online course prior to (3) business days (Monday-Friday) of the courses' starting time, we will offer you a refund, minus a \$10 processing fee. Should you elect to receive a course credit, the \$10 processing fee will be waived. Once the class has started, there will be no refund. Respectfully, we ask you to test out your online platform in advance as we will not be offering refunds for last minute technical difficulties. There are tips on our webpage (www.brooklineadulted.org) which may help guide you in learning how to use these platforms.

Zoom Safety:

We are using the district's Zoom account, for which our IT folks have worked out a privacy agreement with them. Our instructors will utilize the "waiting room" option where they have to allow each person into the session after identifying them, and each session will have a password which helps to prevent inappropriate disruptions to the class.
