- Face coverings must be worn by all adults attending Back to School Night.
- No children are permitted at Back to School Night.
- Special area teachers and support staff will be available from 7:00-7:45pm in the Cafeteria.

Virtual presentations will be available for families who are not able to attend Back to School Night. These brief videos will be posted to each teacher's Google Classroom beginning at 7:00pm on September 30, 2021. Back to School Night video messages from the district and school administration will be posted on the Nellie F. Bennett School website during the same time frame.
