Our Demographic Study DOES NOT include this

- This project is run by the County
- Highway 38 / 47 completed in 2025
- 1,000 Homes have been approved?? Just one plan
- Mixed homes and commercial
- Impact will start in about 10 years

SHS and SMS - We are preparing

- Current plan is to update our extra curricular facilities first
 - Health rooms in new area open up space in the academic area
- We need the space to allow for new programming
- More students involved in internships reduces spacing
- More students utilizing online opportunities for classes we can't provide
- Approved PHASE I
 - Auxiliary Gym
 - Weight room (existing weight room become classrooms)
 - This summer we moved the weight room to the MS gym
- This money CAN NOT BE USED FOR SALARIES nor is it from the REFERENDUM

- Outdoor Phase II and III currently estimating costs
 - Auditorium Upgrades
 - Softball Turf infield
 - Soccer grass
 - One or two fields
 - Buildings and facilities
 - Concession
 - Restroom
 - Currently working a long-term future design
 - This includes where a NEW SCHOOL would go

SAFETY LEVELS

- We have moved to a 4 level system that allows us to be consistent with other Hamilton County Schools and first responders
- Placed in all learning spaces and offices, as well as throughout the hallways of each building

A.L.I.C.E.

- Response to a violent intruder
- We will be implementing the ALICE Protocol training to ALL staff this school year

VAPE DETECTORS

- We received a grant through the HCCOAOD for 6 Vape Sensors
- We are installing the sensors in 6 bathrooms throughout the High School
- Pending response of the vape sensors in the High School we would like to install additional ones at the Middle School in the future
- Wiring for the vape sensors was completed on Friday, August 5th

CAMERA AUDIT

A camera audit was completed for the High School and Middle School

RE-KEYING THE DISTRICT

- We are waiting to receive a quote to re-key the High School and the Middle School
- Our goal is for every employee to have a max of 2 keys to get into the district. One for the HS/MS building and one for the Elementary building

BADGES AND CARD READERS

- We are replacing the old card readers and installing additional readers at doors with frequent use
- We will be including the safety levels on the back of all of our newly issued badges
- Requested a quote for door alerts
- Propped doors
- Side door usage (students letting late students in)
- Failed usage of inactive badges

SAFETY POLICIES

 We are reviewing several safety policies that will be ready for the First Reading in September

<u>3 YEAR PLAN</u>

 We are developing a 3 year plan for multiple safety initiatives that we would like to implement at Sheridan Community Schools

18 "New" Teachers

- Sheridan 4
- Westfield 5 (1 left a job in Frankfort first)
- Out of State 1
- Business World 2
- Straight from College 2
- Decatur, Tri-Central, Prairie Heights, Northwestern

Solar Statistics

- 11,536,693 kwh of solar has been produced in 4.5 years
- Total Savings to date is \$ 1,361,329 dollars at todays 11.8 cents per kwh
- Achieved production is 98 percent of expectation
- The 11,536,693 kwh produced to date is equivalent to powering all the homes of Sheridan for a year
- Sheridan's board and Administration vision in renewable energy has secured a major financial net metering benefits. Sheridan's early adoption will get a one for one credit on kwh solar power when solar over produces what the schools load is untill 2048.
