What is Battle of the Books?

- ★ Battle of the Books (BOB) is a state-wide competition among schools, beginning for us at the county level. Students compete in teams of 12 (6 students at a time) against other teams in a quiz-bowl style competition answering questions about the books on the designated list.
- ★ The goal of BOB is to encourage reading and expose students to a variety of literature. The game format allows for more interest and excitement while students improve reading skills and broaden their knowledge base and reading choices.
