Early Battles of the Civil War CRQ Practice

Directions: Use your chart of the early battles of the Civil War, and your knowledge of answering CRQ questions to complete the following. Scaffolding for the best possible CRQ answer (at least 3 accurate, relevant details, in one, complex sentence) is included.

1.) What is the information being presented on the chart?

Scaffolding support:

- **Use a sentence starter-** *"The information being presented in the chart...."*
- **Identify your 3 details:**
 - Detail 1- (the title of the chart)-** *entitled "Early Battles of the Civil War"*
 - Detail 2- (basic answer)-** *shows the description and importance of the early battles of the war*
 - Detail 3 (and 4)- (extension)-** *INCLUDING the Battle of _____ and Battle of _____.*

Final answer:

2.) What are TWO Confederate victories identified on the chart?

Build your own scaffold:

- **Sentence starter-** _____
- **3 details:**
 - Detail 1 (title)-** _____
 - Detail 2 (basic answer)-** _____
 - Detail 3 (and maybe4) (extension)** _____

Final answer:

3.) How does the information on the chart support the idea that the Civil War will be long and bloody?

Build your scaffold:

- **Use a sentence starter-** _____
- **Identify your 3 details:**
 - Detail 1 (long)-** *soldiers were untrained*

Detail 2 (extension of long)- *as demonstrated at the Battle of Bull Run*

Detail 3 (bloody) - _____

Detail 4 (extension of bloody)- _____

Final answer:

4.) According to the information presented in the chart, identify one of the few early victories for the Union in the Civil War?

Try it on your own:

- **Sentence starter-** _____

- **3 details:**

Detail 1- _____

Detail 2- _____

Detail 3- _____

Final answer:
