Step 1: Search online for various examples of winter landscapes.

Step 2: After looking through the images, pick your favorite and compare it to what you see out your window.

Step 3: **Draw** what you see out your window with as much detail as you can. Try to use different Elements of Art in your drawing such as line, color, shape, texture, space. Use pencil and add color if you have colored pencils or crayons. You may use the back of this paper or a different piece if you have it. Please make sure to write your name and room # on the drawing.
