

Enjoy the next few months with family and friends. Before long, stores will be advertising “*Back to School*” specials and flooding aisles with school supplies.

At BCIS, fourth grade students will be placed on specific teaching teams. Each team will consist of three or four teachers who may request additional “team-specific” supplies in August.

In an attempt to help families over the summer months, teachers have provided “*universal*” supply lists. These are the items *every* student will need to start the 2023-2024 school year.

Thanks,  
Mr. Masucci  
Principal
