

Enjoy the next few months with family and friends. Before long, stores will be advertising “*Back to School*” specials and flooding aisles with school supplies. In an attempt to help families over the summer months, our teams have provided “*universal*” supply lists. These are the items *every* student will need to start the 2023-2024 school year. Students will continue to be placed on specific teaching teams. Each team will consist of four teachers who may request additional “team-specific” supplies in August.

Thanks,
Mr. Masucci

6th Grade
