

**HEALTHY AND FIT SCHOOL ADVISORY  
COMMITTEE/SAFE SCHOOL COMMITTEE**

In accordance with state law, the Holdenville Board of Education has established that each school site shall select a single committee to perform the functions of both the Healthy and Fit School Advisory Committee and the Safe School Committee. The committee will be composed of at least seven members. The committee will include an equal number of teachers, parents of the children affected, and students. In addition, the committee shall include a school official who participates in the investigation of reports of harassment, intimidation, bullying, and threatening behavior and may also include administrators, health care professionals, and business community representatives. The committee will be selected not later than October 1 of each school year.

The committee shall be involved in the monitoring, implementation, and evaluation of 70 O.S. § 5-147 which limits access to foods of minimal nutritional value.

The committee will study and make recommendations to the school principal regarding:

1. Health Issues
  - A. Health education
  - B. Physical education and physical activity
  - C. Nutrition and health services
2. Safety Issues
  - A. Unsafe conditions, possible strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues that prohibit the maintenance of a safe school;

## **BDFB**

- B. Student harassment, intimidation, and bullying at school;
- C. Professional development needs of faculty and staff to implement methods to decrease student harassment, intimidation, and bullying; and
- D. Methods to encourage the involvement of the community and students, the development of individual relationships between students and school staff, and use of problem-solving teams that include counselors and/or school psychologists.
- E. Policies and regulations to be revised in light of the Department of Homeland Security's threat assessment guidelines.

The committee shall meet at least one time each school year.

Responsibilities of the committee include, but are not limited to, the following:

1. Make recommendations to the principal regarding health issues and services, possible strategies for students to avoid harm at school, crime prevention, professional development needs of the faculty and staff concerning school safety and student health, and methods to encourage the involvement of the community members and students.
2. Review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. The State Department of Education will provide a list of research-based programs appropriate for the prevention of harassment, intimidation, and bullying of students at school. If the district implements a commercial bullying prevention program, it shall use a program listed by the State Department of Education.

## **BDFB**

3. Review the district's current safety policies and regulations and make recommendations to the administration regarding any changes needed related to the Department of Homeland Security's threat assessment level and required or proposed actions.

The principal shall give consideration to recommendations of the committee.
