WHAT YOU SHOULD KNOW ABOUT ME

MADE OF:

- Herbivore
- Mellisuga helenae*
- Destruction of habitat
- Predators are frogs, fish, and spiders

Look like:

Males: Breeding males have a red-pink head, throat, and chin; Non-breeding males look very similar to females

Females: upper plumage blue-green lower plumage white/gray tint. Have white tint at end of tail

5-6 cm tall/ Smallest bird in the world
