

Beech Families Weekly Update
August 31, 2020 – September 4, 2020

Dear Beech Families,

Our teachers have been working extremely hard to prepare for the start of the school year. They have been creating Google Classrooms, setting up Zoom invites, and preparing the curriculum they will teach on a daily basis. Although this is a very different way to start school, Beech teachers cannot wait to meet and spend time with their students.

To help you prepare for the first day of school and beyond, I have attached several documents to this weekly update. The first document is our communications document. You will find teachers names, Google phone numbers, emails and their Zoom link for the first day of school. In addition, you will find grade level schedules for second through fifth grade. If your child is a part of one of our specialized programs, their teacher will share the daily schedule with you.

Thank you to all of the parents who joined us for our meet and greets. It was a pleasure to meet and greet you.

Looking forward to continued collaboration throughout the 2020 – 2021 school year.

Sincerely,

Koren Clinkscale
Proud Beech Principal
