Parents have the right to review any teacher's qualifications and background by contacting the school office for an appointment.

Report Card: The Irene-Wakonda School District and individual schools Report Card will not be released until September by the South Dakota Department of Education. They can be viewed at the following address: <https://sdschools.sd.gov/#/home>

Statements will be sent out each week for families who have a balance of \$10.00 or under in their account. **A student will only be allowed to charge up to \$15.00. If the charges are not paid in full, the child will be denied lunch or breakfast privileges.** Students are welcome to bring their own sack lunches; however, a refrigerator will not be provided for the students. Also, the Irene-Wakonda Elementary School and all concessions have a Peanut Free Policy. If you have any questions, feel free to contact the school.

Please fill out the necessary information on these forms and return them to the school offices as soon as possible. Season athletic passes are available for \$20.00 for students, \$40.00 for adults, \$60.00 for couples, and \$90.00 for a family (only includes students in K – 12). If you wish to purchase adult or couple passes, call Pam Erickson at 263-3311 or Kim Johnston at 267-2644. Student passes can be purchased in the office. Senior Citizens age 65 years of age or older, may pick up a lifetime pass for home events in the office. All activity passes are for home games only. The pass **is not** good for tournaments.

Admission for regular varsity games is \$4.00 for students and \$5.00 for adults. Admission for varsity doubleheaders will be \$5.00 for students and \$6.00 for adults.

Supervision of students at school activities: It is important that parents supervise their children at school activities. While a game is going on, children are to be in the bleachers watching the game rather than running back and forth to the gymnasium or playing in the entryway. This is for safety of the children and players, as well as the convenience of the spectators. Older students may be asked to leave if they are messing around instead of watching the event. During concerts and plays, please instruct your children to remain quiet so all in attendance can hear the performances and so they do not disrupt the performers.

Home of the Eagles!

School closings will be announced on KELO and Dakota News Now television stations as well as WNAX, KVHT, and KYNT radio stations when appropriate. SOCS Notifier will be our new parent notification system and will also be utilized during inclement weather. Tune in or call the school if you have concerns or need information. Decisions regarding school closings will be made with the welfare of the students in mind. If school is dismissed early during the school day and both parents work, please make arrangements with friends or relatives to care for your children. Please inform the school of these arrangements. Also, if you live in the country, please arrange for a place that your children can stay in town if buses cannot get children home from school. Reasons for closing school include storms, snow, ice, etc.

PLEASE NOTE: All days missed due to weather and etc. will be made up in the following manner:

- **Any missed days of 3 or less have been built into the school calendar.**

Prescriptions that are sent to school need to be sent in the pharmacy bottle, which also shows the prescription number, date of prescription, and the prescribing physician. **This is very important.** No medication will be allowed in school without a **Parent/Guardian Authorization of Medication Form** from the parent/guardian in which the following is given:

1. The name of the medication
2. The dose to be taken
3. The time it is to be administered

Vaccinations: All students must show proof that they have had the proper vaccinations before attending school. Please see that your child is appropriately vaccinated before attending school this year. Also be sure your child has a copy of his/her birth certificate on file at the school. This is a state requirement and children will be sent home if a birth certificate is not on file within 2 weeks of the start of school. Also, there is an immunization requirement for incoming 6th graders. It requires all students who are 11 years of age or older to have Tdap and MCV4(Meningitis) vaccinations to enter 6th grade this year.

Visitors are always welcome at the Irene-Wakonda School. If you wish to visit, please call or just stop in the office to register and receive your visitors pass. We are glad to have parents visit the school.

The administration, teachers, and staff are looking forward to a great 2023 – 2024 school year. If you have any questions, please feel free to contact the high school office at 263-3313, the elementary office at 267-2644, or the superintendent's office at 263-3311.

Sincerely Yours,

David Hutchison, Superintendent
