## ASSURANCES FOR SCHOOL RENEWAL PLANS

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all federal and state applicable statute and regulation requirements, including those listed.

### Early Childhood Development and Academic Assistance Act (Act 135) Assurances

[S.C. Code Ann §59-139-10 *et seq.* (Supp. 2004)]

- x      **Academic Assistance, PreK–3**  
The district makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
- x      **Academic Assistance, Grades 4–12**  
The district makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
- x      **Parent Involvement**  
The school encourages and assists parents in becoming more involved in their children’s education and will make special efforts to meet with parents at convenient times, provide parents with their child’s individual test results, interpretation of the results, and information on the district’s curriculum and assessment program. The school will encourage frequent communication between home and school, thus providing more opportunities for parental participation. The school will make efforts to designate space for parents to access educational resource materials. Part of the principal’s and superintendent’s evaluation may include parental involvement expectations. The school will make efforts to provide parents with information pertaining to expectations held for them by the school system, such as ensuring the attendance and punctuality of their children.
- x      **Staff Development**  
The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised *Standards for Staff Development*.
- x      **Technology**  
The district integrates technology in professional development and classroom instruction in order to improve teaching and learning.
- x      **Innovation**  
The district funds innovative activities to improve student learning and accelerate the performance of all students.
- x      **Collaboration**  
The district (regardless of the grades served) collaborates with health and human services agencies such as county health departments, social services departments, mental health departments, First Steps, and the family court system.

- x      Developmental Screening**

The district ensures that students receive all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program is primarily at primary and elementary schools although screening efforts could take place at any location.
- x      Half-Day Child Development**

The district provides half-day (and sometimes full-day) child development programs for four-year-olds. The programs primarily operate at primary and elementary schools, may be at locations with other grade levels, or be located in a completely separate school.
- x      Developmentally Appropriate Curriculum for PreK–3**

The district ensures that the scope and sequence of the curriculum for PreK–3 is appropriate for the maturity levels of students. Instructional practices accommodate individual differences in achievement levels and take into account the student's social and cultural context.
- x      Parenting and Family Literacy**

The district provides a four-component program for parents and children that integrates all of the following activities: interactive literacy activities between parents and their children; training for parents to be partners in their children's education; parent literacy training in economic self-sufficiency through adult education; and age-appropriate education to prepare children for success in school and life experiences. Family Literacy is not grade specific, but is generally most appropriate for parents of children at or below the primary and elementary school levels, and secondary school students who are also parents. Family Literacy program goals are to strengthen parental involvement in the learning processes of preschool children ages birth through five years; promote school readiness of preschool children; offer parents special opportunities to improve their literacy skills and education; provide parents educational opportunities; and identify potential developmental delays in preschool children through developmental screening.
- x      Recruitment**

The district makes intensive efforts to seek out and serve those parents or guardians of children, from birth to five years of age, who are considered at-risk for school failure. "At-risk children" are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): poverty, limited English proficiency, significant developmental delays, a parent without a high school diploma or equivalent, instability or inadequate housing and/or family, poor health (physical, mental, emotional), and/or child abuse and neglect.
- x      Coordination of Act 135 Initiatives with Other Federal, State, and District Programs**

The district makes efforts to ensure that all programs and funding, including Act 135 initiatives, are coordinated with programs such as Head Start, First Steps, Title I, and programs geared towards students with disabilities.

## Introduction

**Bell's Crossing** School Strategic Plan was developed to document the changes and progress the school has made while working to continuously improve everything we do. The School Portfolio provides our staff with an ongoing means for self-assessment, communication, continuous improvement, and accountability.

Throughout the process of developing the Bell's Crossing School Strategic Plan, several committees were formed. These committees gathered information, reviewed data, developed ideas, reflected, and reported to the whole staff and school community at various venues (faculty meetings, school improvement meetings, parent/teacher association meetings, and general assembly meetings). A school profile committee was created consisting of the school's principal, instructional coach, teachers, parents, and community members to look specifically at the school's mission, vision, beliefs, the school community, attendance, and programs. Their role was to review student, teacher, and parent survey data, the report to the community, and business partnerships. A student achievement committee was created consisting of the principal, assistant principals, instructional coach, guidance counselor, lead teachers at each grade level and department area along with parents and community members. Their role was to review and reflect on student achievement and determine the needs of the school and develop professional development plans and action steps. A school climate committee was created to review the needs of the school's climate. Their role was to review and reflect upon student, parent, and teacher school report card survey data. An action plan committee was developed consisting of the school principal, assistant principals, guidance counselor, instructional coach, literacy specialist, teacher leaders at each grade level, parents and community members. Their role was to review the update goals and determine the steps necessary to reach those goals in the next five years.

The Bell's Crossing School Strategic Plan is a living document that describes **Bell's Crossing** and includes evidence of our work. It describes who we are, our mission and vision for the school, goals, plans, progress, achievements in the context of demographics and needs, and school partnerships. The Strategic Plan also describes how we build and utilize our overall school plan for increasing student learning for the next five years.

## **Executive Summary**

### **Needs Assessment for Student Achievement**

- All areas on SC Ready were above the District and State average
- Bell's Crossing outperformed the district by 14% and the state by 30% in Math.
- Bell's Crossing outperformed the district by 13% and the state by 22% in ELA.
- Bell's Crossing unperformed the district 20% and the state by 29% in Science.
- Bell's Crossing dropped from 2019-2021 by 8% in all three areas.

### **Needs Assessment for Teacher and Administrator Quality**

- Bell's Crossing has 100% highly qualified teachers
- Over half the teachers, 66% have advanced degrees
- Eleven Teachers have National Board Certification
- On 2021 parent survey, parents feel the strengths (90% or more agree), satisfied with the learning environment at the school, high expectations for my child, encourages my child to learn, provides extra help when my child needs it, principal is available and welcoming, treats my child fairly, school is kept clean, child's teacher cares about my child, child feels safe at school, prevent and stop bullying, principal is available, home/school relations, neat and clean environment, has anti bullying programs, satisfied with the social and physical environment, and receive timely communication,
- In 2017, the parents feel the weakness (more than 25% disagree) are my child's teacher contacts me to say good things. Since 2017, no category had more than 25% disagree.

### **Needs Assessment for School Climate**

- On a student survey in 2019, the students feel the strength (90% agree or more) of the teachers are with wanting students to understand, expect students to learn, expect students to behave, spends time helping students learn, help students when they don't understand, does a good job teaching students math, does a good job teaching students English language arts, gives tests on what students learn, gives homework to help

students learn, class is interesting and fun, believe I can do the work, work can be seen on the walls, media center has a good selection of books, use computer and technology to learn, satisfied with the learning environment, grounds are kept clean, hallways kept clean, students know the rules, rules are enforced, feel safe going and coming to school, feel safe during the school day, students of different backgrounds get along, teachers and staff get along, satisfied with the social and physical environment, satisfied with home school relations, adults prevent bullying, as measured by the 5<sup>th</sup> grade student report card survey.

### **Significant Challenges Past 3 Years**

- The biggest challenge has been the gaps in learning and the type of learning our students have received during COVID. The in-person students from 2020-21 are where they should be for the most part, but the students from other states and our virtual program are not on or near grade level.
- The implementation and training of teachers in the balanced literacy-reading model with different approaches and training models has led to our school having to fill in these gaps. We are implementing components of Project READ approach,
- Meeting the diverse needs of our students who have emotional and social disabilities continues to be a need.

# **School Profile**

## **The Community of Bell's Crossing**

Bell's Crossing Elementary was formed in 2002-2003 school year by bringing together students from four different area schools (Oakview, Woodland, Bethel, and Mauldin). Barbara Barlow was the school's first principal. She served as principal from 2002 to 2012. Christopher Ross followed Mrs. Barlow, and he has been only the second principal the school has ever had. The school is located in Simpsonville, South Carolina, a suburb of Greenville County, in the Five Forks Area. Many subdivisions and businesses built around the school are indicative of the steady growth in the Simpsonville area. Residents have easy access to the conveniences of Greenville, about 20 minutes away via Interstate 385 running through the community. Community facilities in Simpsonville include a Senior Activity Center, Heritage Park, Golden Strip YMCA and the Five Forks Library, as well as an increasing variety of restaurants and shops that help shape the town's identity. The famous clock tower serves as a landmark in Simpsonville's historic downtown.

## **Facilities**

The facility at Bell's Crossing Elementary consists of 55 classrooms with a wireless network, multipurpose room, media center with production studio, cafeteria with stage and assembly seating, science lab, art room, music room, challenge classroom, computer lab, virtual field trip lab, track, soccer field, baseball field, outside courtyards

Bell's Crossing Elementary and the Greenville County School District are committed to having a safe and clean environment for learning. At the site level, there is an emergency preparedness plan and regular fire and emergency drills are held. Other drills that are conducted are lock down, tornado, earthquake, and bus evacuation. Cameras have been installed outside to ensure school security. Planning for various potential emergencies is done in coordination with regional agencies, with the district, and school plans stressing safety for the students first. The school district has roving police officers that check the perimeter and interior of the building on average four times a day.

Specific safety concerns regarding buildings and grounds at the school site are handled by the district maintenance department if they cannot be remedied by on site custodians or utility workers assigned to site duties. Our professional staff of six custodians performs basic cleaning operations in every classroom on a daily basis

## **Parental Involvement**

The climate for learning at Bell's Crossing Elementary is enhanced by involved parents. Parents are invited to join school committees and councils, assist in the classrooms (during non COVID years), help with homework, and encourage and honor their child's successes. Over 95% of our parents attended a conference with their teacher each year.

In order to keep parents informed of ongoing events at our school, the school provides:

- Parent Backpack

- Quarterly PTA Newsletter
- Weekly calendar and menu
- Teacher weekly newsletters to parents
- Instagram
- School Website
- Facebook
- Weekly School Messenger by the Principal
- Teacher websites
- School Electronic Sign
- Student/parent handbook
- Local newspapers
- School events on the district website
- Telephones in classrooms
- E-mail

Parent education/input is offered throughout the school year at various times of the day in the following ways:

- Back to School Night
- Open House
- WEE Care - Rising Kindergarten Parent Information Meeting
- Parent Workshop on Internet Safety
- Parent Workshop on Students with Anxiety
- Parent Workshop on Reading Strategies
- Parent Workshop on Middle School Transition
- Family Reading/Writing Night
- Family Math Night

- Family Related Arts Night
- Family Technology Night
- Parent Conferences
- Parent resources are available in the school counselors' area
- A Guide to Community Services is located in the counselors' area
- PTA General Assembly Meetings
- Open door policy of school's administrators

Many day-to-day activities of the school are supported by parent volunteers during non COVID years. Parents are involved in chaperoning field trips, helping in the office and in the library, preparing the PTA newsletter, serving on the PTA Board & School Improvement Council, helping in the computer lab, tutoring students, mentoring students, running a book exchange, maintaining a paper recycling program, Career Month, and Field Day. We have a wonderful group of parents that publish our students' stories in our school publishing center, too. *These activities are subject to change during COVID years*

## **PTA**

The PTA is an integral part of our school and contributes a tremendous amount of time, talent and energy to our school. The PTA provides on-going support through mini-grants, classroom donations and as volunteers. They coordinate fundraisers, such as our Fall Festival (Eaglefest) and Boosterthon, SEEDs reading program, work in the publishing center, provide educational and family programs, and business partnerships such as Mathnasium. Our PTA did an outstanding job through fundraising to provide our school with technology, as well as supplies for our classrooms. They also fund mini grants each quarter to help teachers implement new programs in their classrooms. On average, over 20,000 volunteer hours are logged in each year. They have been recognized in the district and state with various awards. *These activities are subject to change during COVID years.*

## **School Improvement Council**

This council is made up of teachers, parents, community partnership representatives, and administrators. It functions as a liaison between the community at large and the school and also serves as part of our school Counseling Advisory Committee. Important issues relating to budgets, test scores, programs, and problems are discussed and evaluated by this council. The council has been involved in developing the School Strategic Five Year Plan since the school began. The council follows an agenda established by the chairman of the School Improvement Council and the school administration. Minutes of each meeting are recorded and approved by the council. The council meets on a monthly basis throughout the school year. Some of the council's initiatives over the years have included a Rising Kindergarten Orientation, Healthy Living Initiative, Internet Safety Program, and numerous parent workshops. *These activities are subject to change during COVID years.*

## **Partnerships**

Community partnerships are welcomed and encouraged to play a vital role in the success of Bell's Crossing. In our beliefs and values, we state that supportive partnerships are essential to the success of our students. A relationship with business partners offers our families, community, businesses, and the school district successful partnerships. Our partnerships have an emphasis on academics, citizenship, careers, ground beautification, curriculum, community service, health/fitness, and continuous improvement. *These activities are subject to change during COVID years.*

These business partners listed below provide incentives and services for our students in a variety of areas within our school program.

Bell's Crossing's personnel also includes school secretary, attendance clerks, media clerk, 6 kindergarten assistants, 4 special education assistants, plant engineer, five custodians, 2 school nurses, food service manager, and six food service staff. All meet the requirements of district and state standards.

Other district support personnel available to help assist Bell's Crossing in meeting the needs of students include the district psychologist, hearing specialist, occupational therapist, special education coordinator, and a network computer engineer.

Bell's Crossing teachers have an attendance rate of 97% in 2019-20 school year.

## Student Population

Bell's Crossing attendance is on a steady rise from 2016-2020. The school dropped below 1,000 students in 2019-20 due to COVID and remains below 1,000 in 2021.

In 2020-21, Bell's Crossing Elementary is 76% Caucasian, 7% African-American, 7% Hispanic, 2% Asian, 2 Two or More Races, and 1% Other, (including American Indian or Alaska Native, and Native Hawaiian or other Pacific Islander).

Bell's Crossing serves a large gifted and talented student population. 24% of the eligible students qualify for the state's Challenge program.

The school has 32% percent of Pupils in Poverty

The student attendance rate at Bell's Crossing Elementary was 95.6%.

Bell's Crossing serves 15% percent of the student population with special education services. Most of our students are served in speech or for a learning disability.

Developmental Delay	5
Learning Disability	27
Other Health Impairment	8
Speech Only	77
Autism	4

Bell's Crossing has a very low retention rate. Less than 1% of the students are not promoted to the next grade level.

The school has nine subgroups as determined by the federal government for adequately yearly progress. Those groups are: All Students, Male, Female, White, African American, Hispanic, Disabled, Limited English Proficiency, and Subsidized Meals.

## **Special Programs**

### **Digital Leader Corps and Personalized Learning**

Bell's Crossing is one of the ten original Personalized Learning Schools in Greenville County. We are partnering with Discovery Education to better integrate technology with our curriculum. This model allows four teachers to receive training with a consultant and then train the staff at Bell's Crossing with best practices. As a Digital Leader Corps School, our 3<sup>rd</sup>-5<sup>th</sup> graders have a Chrome Book. The kindergarten- second graders have a 2:1 ratio of iPad minis along with a laptop cart and computer lab. In the intermediate elementary grades, the teachers and students use Google Classroom to assign, submit, and collaborate on assignments. The school has a comprehensive professional development plan to put these best practices into place.

### **Distance Education**

Bell's Crossing boasts an array of distance learning opportunities for our students. The school has a virtual field trip lab equipped with a flat screen monitor, computer, video camera, and speakers to enable two-way communication with an expert at a remote location. Each student at each grade level participates on an average of two virtual field trips a year. These virtual trips may be to NASA, Royal Botanical Gardens, The Smithsonian Museums, National Archives, Cleveland Museum of Art, Alaska Sea Life Center, and much more. Each virtual field trip is tied directly to a state standard and correlates with a unit of instruction. By accessing experts at these remote locations, our students learning moves to another level of understanding.

### **RTI (Response To Intervention)**

Bell's Crossing strives to ensure all students are reading on grade level. In order to meet this goal, the school has reading intervention for students below the 25<sup>th</sup> percentile as measured by a national standardized assessment called Fastbridge. Teachers in kindergarten, first grade, second, and third grade instruct small groups of students using a research-based program daily for a minimum of thirty minutes day. The students are monitored every ten days to ensure progress is being made towards the benchmark. Students that meet and maintain the set benchmark are dismissed from the program. Students that do not make progress using this approach are referred to an assistance team to problem solve other interventions that may be beneficial. Bell's Crossing has also served 1<sup>st</sup> grade students in Math Intervention using a program called Number Worlds.

### **On Track**

Bell's Crossing Elementary began using the On Track approach in the 2018-19 school year. This allows teachers to bring students who they are concerned about academically, behaviorally, or emotionally to a team to brainstorm and provide interventions.

### **SOAR Behavior Expectations**

Our school has a set of basic expectations we present, teach, and practice with all students throughout the year. These expectations are: Stay Safe, Own Our Actions, and Respect Everyone. We model for students what each of these expectations looks like in the hallways, classroom, bathrooms, cafeteria, playground, arrival/dismissal areas, and

busses. The premise of this positive behavior support system is by teaching our students these expectations, then almost all of our students will rise and meet these expectations. We do build in other individual behavior plans for students who are not able to meet these expectations on a daily basis.

**Bully Prevention Program**

Our school has a comprehensive Bully Prevention Program that spans all grades levels. We have a no tolerance school policy when it comes to bullying. We teach our students strategies to handle bullying situations. We bring in an outside group to simulate different bullying situations to illustrate what to do and what not to do. Cyber Bullying lessons are delivered by a former cyber crimes detective to all 3<sup>rd</sup>-5<sup>th</sup> graders. An anonymous tip line is created through a link on each child's Chromebook. All reports of bullying are addressed by representatives of administration at the school level.

# **Mission, Vision, and Beliefs**

**Impact of COVID-19:**

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- SC READY (English language arts and mathematics in grades 3–8);
- SCPASS (science in grades 4 and 6);
- End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been waived;
- Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators (myIGDIs™), and Teaching Strategies® GOLD); and
- Alternate Assessments – some students have already taken the alternate assessments.

The following assessments were unable to be administered due to COVID-19 and required a waiver

- Grade 10 PSAT
- Ready to Work
- ACT, SAT
- AP, IB, Cambridge International
